We need to have a strong economy that can create employment opportunities and that can also produce the revenue that we need to defend our country at home and abroad.

~Bob Menendez

There's a difference between, as I always say, the destination, the end point, and the journey. The journey has a lot of twists and turns. It isn't always pretty.

~Bob Menendez

It may not necessarily be the way I would like to see it happen, but the reality is we could still bring millions of people out of the darkness into the light.

~Bob Menendez

We believe very passionately that an international approach is necessary to achieve some of these goals.

~Bob Menendez

There are plenty of opportunities for common grounds that we need to explore and strengthen. The Hispanic community has a strong affinity for our relationship with Israel.

~Bob Menendez

We should seek international support for our mutual objectives abroad, in promoting freedom, democracy, respect for human rights, and also the elimination of weapons of mass destruction.

~Bob Menendez

By failing to keep their end of the bargain, the Bush administration would allow New Jersey projects to deteriorate and make New Jersey highways and bridges less safe.

~Bob Menendez

This is the United States of America. It means we respond to our fellow Americans in times of crisis and emergency and disaster.

~Bob Menendez

I dont believe you need high capacity magazines to go hunt. If you have to use 100 rounds to shoot a deer, youre in trouble.

~Bob Menendez

There isn't any air power in the world that can take care of the problem of sectarian divisions.

~Bob Menendez

A censure would put an indelible scar on the president's place in history, .. Monica Lewinsky is not Watergate. Let he who has no sin in this chamber cast the first stone.
