

Bob Schaffer

Quotes

*Government, Ukraine, Children, Tired, Spending, People, Too Much, Destiny,
Touching, Doe, Spending Money, Objectivity, Canada, Loyalty, Irs, Military,
Burden, Growth, Believe, Firsts*

The Russians have a lot at stake, and the power of Moscow pride should never be underestimated.

~Bob Schaffer

The objective of the demonstrators is to win the affection of the armed agents of the government... Most of the Kiev police have now pledged their support for the people...

~Bob Schaffer

The fundamental force behind the Second Amendment is to empower the people and give them the greatest measure of authority over the tyranny of runaway government.

~Bob Schaffer

Though there is growing division among the Ukrainian military ranks as to loyalty in this revolution, the possibility of violence looms over the entire situation.

~Bob Schaffer

The demonstrators in Ukraine will persevere and succeed, or grow tired, cold and fade.

~Bob Schaffer

The first thing the federal government can do to help is get out of the way.

~Bob Schaffer

Reducing the tax burden is necessary to produce economic growth.

~Bob Schaffer

It is unlikely Yanukovich won. If he did, his government made it impossible to determine.

~Bob Schaffer

The revolution has been dubbed "The Orange Revolution," orange being the campaign color of Viktor Yushchenko. The demonstrators say they are tired of living under a corrupt government...

~Bob Schaffer

My mother is Ukrainian. She immigrated to the U.S. from Canada as a child.

~Bob Schaffer

Vote counting and ballot collecting does not occur in the light of day. There are too many occasions when observers and opposing parties lose contact with the ballots.

~Bob Schaffer

Government is just spending too much money.

~Bob Schaffer

The only people helped by the death tax are lawyers, accountants, and IRS agents.

~Bob Schaffer

I would love to see the French spending money to restore Iraq.

~Bob Schaffer
