Running, School*

I tried retiring a couple of times and it just didn't really stick so, but at some point enough things conspire together and it does stick.

~Bode Miller

The best way to protect your own freedom is to watch everybody else's back. That's the essence of community.

~Bode Miller

A huge adrenaline rush is usually followed by a pretty low point.

~Bode Miller

It is not that I don't recognize the danger in ski racing, but that I don't fear the consequences.

~Bode Miller

Sometimes it's all about the win, sometimes it's about the skiing.

~Bode Miller

I don't put anything in front of taking ski racing and sports seriously.

~Bode Miller

Eventually I'd like to have a family. I'd like to not be limping around when I'm 50 years old.

~Bode Miller

Sometimes I'm disciplined, but I like to be a total slacker, too. I party hard, but I train hard.

~Bode Miller

I'm still having fun and as long as skiing is enjoyable, I'm going to continue to do it.

~Bode Miller

Obviously, you always want to win, but you want to win by skiing a race

that you're proud of and you feel like you really challenged yourself and left it all out there.

~Bode Miller

It does matter that it's the Olympics. I just did it my way. I'm not a martyr, and I'm not a do-gooder. I just want to go out and rock. And man, I rocked here.

~Bode Miller

If I could wish one thing for anyone, it would be to not have to do anything his entire life-just go along and when you feel like doing something, do it.

~Bode Miller

I've been myself my whole life.

~Bode Miller

My goal is the same as every year - to not hurt myself.

~Bode Miller

One kid's old, used-up equipment is another kid's brand-new, awesome, awesome equipment.

~Bode Miller

I can take \$15,000 a year and raise kids on that. Later, they'll figure out I've got millions, but hopefully they'll have the values to say, 'So what?'

~Bode Miller

That feeling is the same whether you're on either side of the hundredths. Obviously, it's great to win the world championship, but if you put down that kind of skiing, it's awesome either way.

~Bode Miller

Ski racers are built odd with overbuilt butts and legs.

~Bode Miller

I don't care what other people's judgments come down to-I care what my judgments come down to.

~Bode Miller

When I was little, I spent a lot of time by myself. When other kids were in school, I was skiing and thinking about things. I was alone on the mountain.

~Bode Miller

In some ways, that's the story of my season - when I wasn't making big mistakes, I was winning races and being on the podium. And when I made mistakes I was still fourth or fifth, just off the podium.

~Bode Miller

From 1999 to 2003 was the peak of equipment in ski racing. Since then, it's all gone in the wrong direction.

~Bode Miller

It's nice, being brought up with no money at all. It's just not how I measure success, so that makes it a bunch easier.

~Bode Miller

I simply think things through, and I look at problems. One thing I pride myself on is the ability to connect unconnected thoughts and come up with new, unique thoughts.

~Bode Miller

Once the season starts for me, there isn't a change in my focus, just a change in my tactics and strategies.

~Bode Miller

My grandfather was very into horse racing, and I found some of his old

journals and got into it from there. It has a lot of parallels to skiing. It's a fun lifestyle, being around the racetrack.

~Bode Miller

I really am a thinker. I don't do things rash. I know some of the things I've said or the way I act seem rash. But I do take ownership of it. I don't say things I don't mean.

~Bode Miller

Despite all the pressure and the caliber of accomplishment, I still can honestly say that it's not all about winning.

~Bode Miller

When you back off, it's easier to do mistakes. For me it's better to ski fast.

~Bode Miller

I still love racing and the challenge of it, but at some point, you get to a place where you're perfectly happy moving on and doing other stuff.

~Bode Miller

When you get old, it's hard to tell what's memory and what you've kind of created in your head as memory, you know?

~Bode Miller

If you're unhappy with the way you played, what's the point?

~Bode Miller

Arousal-control has been an issue for me since the beginning of my career.

~Bode Miller

I like to keep my private life private for the most part.

~Bode Miller

The way I judge myself is not on how many World Cups I can win in a row.

~Bode Miller

People in the U.S. will watch anything if it's put in front of their face over and over again. I like to see what's possible, more than anything.

~Bode Miller

I couldn't be happier with where my life's at right now. I have great partners, I have great stimulating relationships on the business side of things, I've been really busy and productive.

~Bode Miller

The same people who recognize I came out with no medals should recognize I could have won three.

~Bode Miller

I would say most of my style is driven by functionality and comfort.

~Bode Miller

I think four Olympics is probably enough. Five Olympics is a long time, but there's nothing wrong with that if I'm into it and I'm healthy and my priorities can fit around that.

~Bode Miller

It's important for me to live my life honestly.

~Bode Miller
