When one door closes another door opens. Usually a refrigerator.

~Bonnie McFarlane

I've been called a racist before, and let me tell you something - that is harsh. That's a really ugly thing to call someone. That's like being called a Mexican.

~Bonnie McFarlane

My sister might be dumb, but that doesn't make her all that different from the rest of us. She's just like any other American. Except she's Canadian. And retarded.

~Bonnie McFarlane

Well I grew up in Canada in a really small town. We didn't have running water for a long time and we didn't have TV. Then when we did get TV we only had one channel.

~Bonnie McFarlane

You know, women are burdened with all this other crap all the time, like looking good. You need to be really superhuman to be successful as a woman.

~Bonnie McFarlane

I guess the biggest issue my husband and I are going to have is how do we raise the baby... because he's Jewish and I'm Protestant and the baby's father is Catholic.

~Bonnie McFarlane

I grew up in a mixed religious household. And it was volatile. My dad's atheist, my mom's agnostic. Just constant fighting. There's no God! There might be!

~Bonnie McFarlane

If you really are superior, you don't go around saying you're superior -

unless you're Jewish.

~Bonnie McFarlane

Sometimes when I'm bored, I like to people watch. And I got to a touristy area and I play this game I just made up. I call it Lesbian or Midwestern?

~Bonnie McFarlane

I love my hunting dog. I loved my hunting dog - I'm not very good at hunting.

~Bonnie McFarlane

I don't think cops should wear mirrored sunglasses; the whole time the guy was chewing me out, all I could think was I should cut my bangs.

~Bonnie McFarlane

There's no such thing as a feminist - just women who pay for their own breast implants.

~Bonnie McFarlane

Intellectually, I think everyone really knows that women are funny, but it's a weird thing that people keep trotting out.

~Bonnie McFarlane

I think it's creepy if a guy says, I would never hit a girl. Cause that should go without saying. That's like if you ever heard a guy go, I would never crap in a hot tub.

~Bonnie McFarlane

I could never be a lesbian because I have a really good sense of humor.

~Bonnie McFarlane

I've always wanted to be a writer. Always been very creative. I always

laughed at things that the rest of my family would sort of get angry, like not understand.

~Bonnie McFarlane

Cocaine is yucky. I did it once: I was at a party; I was bored. I was like, 'Alright, I'll do a line.' Then I was just bored longer.

~Bonnie McFarlane

If you enjoy shaming people, I suggest dentistry as a profession.

~Bonnie McFarlane

Just a tip if you have a big event to go to or an important meeting, if you cry enough your face swells up giving you a temporary lift.
