Make sure the thing you are working on is something you love.

~Brad Feld

You can't motivate people, you can only create a context in which people are motivated.

~Brad Feld

I no longer really ever like to be pitched. Instead, I prefer to engage in a relationship as part of learning the other person.

Once a quarter, Amy and I go off the grid and totally disconnect. It's totally doable and it will change your life.

~Brad Feld

The only thing that we know about financial predictions of start-ups is that 100 percent of them are wrong

~Brad Feld

Computer science needs to be part of the core curriculum - like algebra, biology, physics, or chemistry. We need all schools to teach it, not just 10%.

~Brad Feld

I dislike reading business books, although I skim a lot of them.

~Brad Feld

From pitch perspective, the more you wear your idea, the more it fits you and your comfortable with it, the easier it is for somebody like me to say tell me more.

~Brad Feld

I'm very comfortable in the U.S. and Europe, but I feel completely out of place in the rest of the world, mostly because I never spent time outside the U.S. and Europe until I was in my 30s.
