Well no, I think we won't have that problem but as far as paparazzi I'm speaking, I will deal with that.

~Brandon Routh

I could finally quit my job as a bartender and stop dreaming that I might be Superman and know that I was. Then I started thinking about how cool it was.

~Brandon Routh

Christopher Reeve did such an amazing job that to give him some kind of accent or more bravado would have been wrong. Audiences wouldn't have responded to that either.

~Brandon Routh

I've found the best way is to not be scared of the attention but to be grateful for it and open to it. It makes my days better rather than being annoyed that people want my attention.

~Brandon Routh

Well physically preparing for the role, definitely and then continuing to stay physically fit throughout filming, getting up, 4.00 4.30 in the morning.

~Brandon Routh

I'm very excited to see where the characters and their relationships go. But in the end, it really boils down to the people who have more power than me, who control the money.

~Brandon Routh

There are things about growing up in a small town that you can't necessarily quantify.

~Brandon Routh

It was important to have a similar energy in my performance. To make

the character too different would have just been about my ego because it didn't need to be drastically different.

~Brandon Routh

And the spirit of Superman is great to have around.

~Brandon Routh

And also it was a process of, we lifted weights as well, in an effort to train my body to then be able to lift heavier weights when I got in Australia. So that was the first couple of months.

~Brandon Routh

There's a great legacy before me. Many, many fantastic actors, artists, writers have come before me and created Superman. I'm very honored to be able to be a part of it.

~Brandon Routh

I'm kind of looking for something with a lot less action and more talking and listening.

~Brandon Routh

Superman is there to unite us all, I think. I'm proud of Bryan for respecting that and not making it just about us.

~Brandon Routh

I am, of comics I was never as big of a fan as I probably could have been I suppose but I'm definitely a fan of science fiction fantasy. My interests were in fantasy more than comics growing up.

~Brandon Routh

I knew very early on that there would be quite a bit of attention: Superman is known all over the place.

~Brandon Routh

As I said before, I'm prepared to be prepared and I think that remains the same, you know there's no way to really know what it's going to feel like. I think for each individual it's different.
