The dismissal of any of these people would send a useful signal to U.S. allies that the president has the nerve - and self-awareness - to make a change.

~Bret Stephens

The United States survives so long as at least one of its major parties is politically and intellectually healthy.

~Bret Stephens

I don't think the Republican Party, or I should say the Republican Party as the vehicle for modern American conservative ideas, survives with Donald Trump.

~Bret Stephens

In the Middle East there are two kinds of regimes - those that could be worse, and those that couldn't be worse.

~Bret Stephens

The presidency of Barack Obama is a case study in stupid does.

~Bret Stephens

Hillary Clinton, as awful as I find her, is a survivable event. I'm not so sure about [Donald] Trump.

~Bret Stephens

In taking care with language, we take care of ourselves.

~Bret Stephens

I think a Donald Trump presidency sets up an Elizabeth Warren ascendancy. And it not Elizabeth Warren, someone of her ilk. And I think that's dreadful.

~Bret Stephens

When it comes to trade, when it comes to standing up to countries like

North Korea, when it comes to standing up to guys like Vladimir Putin, Donald Trump is not a conservative.

~Bret Stephens

The only person who counts in the administration is the president of the United States.

~Bret Stephens

I have been writing about Hillary Clinton, I just actually looked this up, since 1998 when she was busy standing by when Suha Arafat was launching anti-Semitic tirades against Israel and the Jews.

~Bret Stephens

I have a very, very hard time voting for Mrs. [Hillary] Clinton.

~Bret Stephens

I will never vote for Donald Trump.
