Brian Boyd Quotes

I would be very surprised if on another planet we discovered a species as intelligent as humans that didn't have narrative, or didn't have art in general.

~Brian Boyd

In fiction the story lives the more everyone comes to life, the more each character seems to exist in his or her own right.

~Brian Boyd

Social media is your opportunity to reach a massive number of people with transparency, honesty, and integrity.

~Brian Boyd

Social media takes time and careful, strategic thought. It doesn't happen by accident.
