Where I lived, it was a cold mining place, a village called Dunston. The only time you saw a Rolls-Royce was when somebody died.

~Brian Johnson

Live. Love. Smile. Hug. Laugh. Dream. Do. Create. Have fun. Be intense. Be audacious. Be unreasonable. Act impeccably. Breathe. Be you. Be different.

~Brian Johnson

Self actualization is the oxygen for the soul.

~Brian Johnson

Happiness isn't some elusive treasure we chase after. It's a state of being we need to PRACTICE.

~Brian Johnson

If people have a passion for anything they tend to get quite good at it.

~Brian Johnson

Live at your highest potential-moment to moment to moment... When do we feel most alive? When we're being ourselves-our highest selves.

~Brian Johnson

The only people I have ever seen paint successfully, consistently, with great authority, unselfconsciously and without fear of failing were about four years old.

~Brian Johnson

A metallurgist is someone who can look at a platinum blonde and tell whether she's virgin material or a common ore.

~Brian Johnson

I'm an out and out basic man and AC/DC are one of the best rock'n'roll bands in the world, doing things just to the basics, you know.

~Brian Johnson

We see this as a test of their ability to face reality.

~Brian Johnson

I've learned what works and what doesn't, which gives me confidence.

~Brian Johnson

People are famous for being famous and for nothing else. And good luck to them, because it lasts about a year and then they're nothing again.

~Brian Johnson

Painting is so much more than the materials.

~Brian Johnson

Perhaps the most important ingredient in my work... is my brain - particularly the right brain... the free spontaneous side, and the left brain, which is careful and methodical.

~Brian Johnson

All the other stuff without love? Not worth a whole lot. Love starts with ourselves and needs to be approached like anything else we want to master-with a lot of diligent studying and practicing!

~Brian Johnson

Punk and all that was just an image that ripped people off. Johnny Rotten's a wanker, and that's all there is to it.

~Brian Johnson

Let the results be a by-product of you taking impeccable steps day-in and day-out.

~Brian Johnson

When I was in school, I used to look out the window and see the big red double-deck buses driving by. It just looked so free.

~Brian Johnson

The main thing (about the organization) is to enjoy motorcycles, ..and have a good relationship with the community.

~Brian Johnson

I used to have the Range Rover LR3, which I loved very, very much.

~Brian Johnson

Blackberry Smoke is a band that will never go hungry.

~Brian Johnson

I have my 1973 Citroen DS 23 Pallas. I drive it all the time. It's still the most beautiful shape in the world.
