The trick is not caring what EVERYBODY thinks of you and just caring about what the RIGHT people think of you.

~Brian Michael Bendis

Artists are not your art monkeys. They are your collaborators. They should be given all due consideration to follow their journey.

~Brian Michael Bendis

I've been reading Ed Brubaker comics since the first appearance of Ed Brubaker comics and every single time he announces a new title I mutter to myself: ugh! I wish I would've thought of that!

~Brian Michael Bendis

I have a very strong color theory, for instance, where in 'Powers,' green means powerless, and red means power. The story was all there, but I was desperate to make sure that extra level was the case.

~Brian Michael Bendis

You're as good as the people you're with.

~Brian Michael Bendis

And I had worked at the comic-book store almost by accident, because I was deciding to make a living as an artist, be it as an art tutor or illustrator, and that's how I wanted to make my living.

~Brian Michael Bendis

If you like Powers, you'll love The Victories!

~Brian Michael Bendis

Charlie Huston, who showran the first season [of Powers], is a novelist, and likes to internalize fiction as a novelist does.

~Brian Michael Bendis

I never look at things again once they're done.

~Brian Michael Bendis

You can't just have a fight scene. In my opinion, it has to be a character moment or story moment.

~Brian Michael Bendis

In the history of comics and movies and music too, it's always when things are at their bottomed-out, either creatively or financially, there's more chance-taking going on.

~Brian Michael Bendis

It's too theatrical not to express yourself constantly.

~Brian Michael Bendis

One of the things I like to do is people's hearts are on their sleeve, whether it's a good or a bad heart.

~Brian Michael Bendis

I don't take it for granted, because I saw the fruits of Stan's [Lee] 50-year labor, and I didn't have to wait 50 years myself.

~Brian Michael Bendis

One similarity I see between peers and some of the people who read my books is that comics were definitely an outlet for us.

~Brian Michael Bendis

I was listening to the inclusiveness of Spider-Man, and why he's so appealing to so many people, but I didn't connect it all at first.

~Brian Michael Bendis

If you're miserable and someone flies by looking like they have everything in the whole world and it's never going to be you, that's tough to deal with.

~Brian Michael Bendis

I looked at Tank Girl, which is the coolest comic, ever. The movie didn't make the comic book any less cool. The comic is still the comic.

~Brian Michael Bendis

The books are the books, and a lot of the stuff is some version of your id or your ego.

~Brian Michael Bendis

I'll never get sick of raising my children, but other people might get sick of them.

~Brian Michael Bendis

I was into comics because these were my real male role models, even though at the time, I didn't know it.
