Unemployment, foreclosures, bankruptcy - the cure is not more government spending, but helping businesses create jobs.

~Brian Sandoval

Nevada was hit hardest by the recession - highest unemployment, highest foreclosure rate, highest bankruptcy rate.

~Brian Sandoval

I know that many students take personal responsibility for their education and succeed as a result. I want them to know they are not alone - that Nevada's system can and will support them.

~Brian Sandoval

Racial profiling is illegal, and I do not support it.

~Brian Sandoval

We must remind Americans that the promise of opportunity remains unbroken - that every person in this great nation can succeed through hard work, courage and personal responsibility.

~Brian Sandoval

As governor, part of my job is to tell people things they don't like to hear.

~Brian Sandoval

I'm a strong supporter of states' rights to do what they need.

~Brian Sandoval

I am proud of my heritage and my family.

~Brian Sandoval

My first job was cleaning sheep pens.

~Brian Sandoval

When you talk about a 'broad-based business tax,' that's a pretty broad term. I don't know what that means. But it's not something I would be supportive of.

~Brian Sandoval

My father was one of ten children.

~Brian Sandoval

My children don't look Hispanic.

~Brian Sandoval

I worked my way through law school.

~Brian Sandoval

Fiscally I'm very conservative ... others say that I'm socially moderate.

~Brian Sandoval

I do not support driver's licenses for undocumented immigrants.

~Brian Sandoval

Dad worked his entire career as an aviation technician. Mom was a legal secretary who became a teacher. We lived a simple American life.

~Brian Sandoval

Changing course is never easy.

~Brian Sandoval

I don't think it's any secret I've never been an advocate for the Affordable Care Act.
