

Brian Weiss

Quotes

*Golf, Soul, People, Spiritual, Joy, Mind, Memories, Opportunity, Letting Go,
Rewards, Past, Patience, Understanding, Life, Loss, Relationship, Destiny,
Love, Heart, Tendencies*

Your task is not to judge or punish. Karma will take care of that. Your task is to love.

~Brian Weiss

All is love...All is love. With love comes understanding. With understanding comes patience. And then time stops. And everything is now.

~Brian Weiss

You are not your body; you are not your brain, not even your mind. You are Spirit. All you have to do is reawaken to the memory, to remember.

~Brian Weiss

Souls don't have races or sexes or religions. They are beyond artificial divisions.

~Brian Weiss

Sometimes the most evolved souls take the most challenging paths

~Brian Weiss

For truly we are all angels temporarily hiding as humans.

~Brian Weiss

Love is the energy from which all people and things are made. You are connected to everything in your world through love.

~Brian Weiss

Worrying is worthless. When you stop focusing on what has already happened and what may never happen, then you'll be in the present moment. Then you'll begin to experience joy in life.

~Brian Weiss

To reach back and help, and expect neither reward nor even thanks. To reach back and help, because that is what spiritual beings do.

~Brian Weiss

Eventually we will all understand that all wisdom is within us, and as we remember, practice and access this wisdom, we will become our own best teacher.

~Brian Weiss

Our rational minds often attempt to minimise or negate the mystical encounters. We forget the power of our experiences. We must embrace the reality of that event, which is a miracle.

~Brian Weiss

What is the biggest thing that stops people from living their lives in the present moment? Fear - and we must learn how to overcome fear.

~Brian Weiss

Happiness is really rooted in simplicity. The tendency to excessiveness in thought and action diminishes happiness.

~Brian Weiss

Understanding dissolves fear. When we understand the true nature of our being, fears dissipate. We are spiritual beings, not human beings.

~Brian Weiss

The reward is in doing, but doing without expecting anything...doing unselfishly.

~Brian Weiss

If you rely exclusively on the advice of others, you may make terrible mistakes. Your heart knows what you need. Other people have other agendas.

~Brian Weiss

All of nature is resurrection.

~Brian Weiss

Understand the nature and influence of repeating patterns, from childhood experiences or even from past lives. Without understanding, patterns tend to repeat, unnecessarily damaging the relationship.

~Brian Weiss

Sometimes, soulmates may meet, stay together until a task or life lesson is completed, and then move on. This is not a tragedy, only a matter of learning.

~Brian Weiss

Inner peace is impossible without patience. Wisdom requires patience. Spiritual growth implies the mastery of patience. Patience allows the unfolding of destiny to proceed at its own unhurried pace.

~Brian Weiss

The more you go within, the more you understand your true nature, and the more joy and happiness you feel in your life.

~Brian Weiss

Journey into the beautiful dream that is life...the end is only the beginning.

~Brian Weiss

A life with difficult relationships, filled with obstacles and losses, presents the most opportunity for the soul's growth.

~Brian Weiss

Other inner peace quotes encourage letting go of the desire to control everything around us, and slowing down as ways of attaining inner peace.

~Brian Weiss

The ball retriever is not long enough to get my putter out of the tree.

~Brian Weiss

That divot is so deep, I will need a sod cutter to fix it.

~Brian Weiss

Never take a mulligan on a par 3. A "hole in three" is not a fun story to relive.

~Brian Weiss

That putt had more breaks than a government job.

~Brian Weiss

I was asked by a golfer how to lower his scores. I replied start playing 9 holes instead of 18. I worked for me, it cut my scores in half.

~Brian Weiss

Golf is like smoking, I have been trying to quit for years.

~Brian Weiss

It breaks towards the center of the earth when it is above the hole.

~Brian Weiss
