

Brian Williams

Quotes

*People, Thinking, Hands, President, Children, America, Israel, Dark, Comedy,
Making A Difference, House, Gun, Hurt, Differences, Jesus, Body, Dream,
Eight, Sports, Iraq*

What does it tell you that applications for guns since the shooting are up 41 percent in Colorado, and that our cameras found about 50 people in line at one gun shop yesterday outside Denver?

~Brian Williams

Using iPads as cameras, for example, is like taking pictures with a cafeteria tray.

~Brian Williams

A person starts dying when they stop dreaming.

~Brian Williams

You are only as good as the coach thinks you are.

~Brian Williams

I found the secret of life to be body placement.

~Brian Williams

You may find that making a difference for others makes the biggest difference in you.

~Brian Williams

If you start pandering to young people, you're going to get accused of simply giving people what they want.

~Brian Williams

We are the people who won the Second World War and saved the world. We went to the moon. We gave the world the cell phone and Bruce Springsteen. There's no telling what we can accomplish.

~Brian Williams

With Kindness 1+1 always equals more than 2

~Brian Williams

I never suffered for lack of confidence. I knew I would succeed; you have to. I think I couldn't go into any venture any other way.

~Brian Williams

My wife and children seem to like me quite a bit, and as long as that is true, I'm really OK.

~Brian Williams

When you make 'The Daily Show', it's usually not for a laurel, it's for a dart.

~Brian Williams

I want my country to be trusted. I don't want anybody running for president telling the unions what they want to hear at the expense of the credibility of the United States.

~Brian Williams

People are hurting out there, perhaps they are ready to start a conversation about whether an AR-15 belongs in the hands of a citizen, whether a citizen should be able 6,000 rounds on the internet.

~Brian Williams

In comedy timing is everything, but Betty White is the rarest of comics who seems to have mastered time itself.

~Brian Williams
