I have always been interested in art but had no formal training or experience. It's always been just what I liked, my eye for art.

~Britt Robertson

It's important to me to just experience as much as possible and to be able to just work and meet new people and have different experiences and have as much knowledge as I can.

~Britt Robertson

I love scary movies, but I'd never really even seen *The Vampire Diaries*, up until I met [Kevin Williamson].

~Britt Robertson

For me, being a girlboss is about being the boss of your own life. At 26 I still don't know what's happening in my life, but I'm asking, What will make me happy next?

~Britt Robertson

I have a lot of girlfriends who are struggling out there to find good men.

~Britt Robertson

I never talk about auditions. Even if I've got the role, I won't tell people until we're literally filming it.

~Britt Robertson

Honestly, I love television. I love the idea of going to work every day and getting to know your crew and having a rapport with your directors and having a family of cast.

~Britt Robertson

I think everyone has their own version of romance like and I think everyone has their own romantic side.

~Britt Robertson

I love to continue acting. It's my passion.

~Britt Robertson

Be assertive, but don't forget to look around. I realized there are other opinions that can be more useful to me than just sticking to my guns.

~Britt Robertson

The song Cant Look Back Now by the Weepies reminds me of the entire Life Unexpected experience.

~Britt Robertson

My family is large and in charge! Thats my favorite way to describe them.

~Britt Robertson

If someone was to tell you that you were a witch, I think that it would be somewhat like, "You've got to be kidding me! I'm out of here! You're crazy!"

~Britt Robertson

The perfect shorts are always important.

~Britt Robertson

I like down-to-Earth characters, but I also like being able to get outside my box of knowledge.

~Britt Robertson

I am close - too close - with my family.

~Britt Robertson

When you're not the lead, you don't have as many restrictions.

~Britt Robertson

If I can play 15 when I am 25, I can play 35 when I'm 55.

~Britt Robertson

Working is the best way to understand and grow, as an actor, in my opinion. That's been my experience.

~Britt Robertson

I was a super tomboy growing up.

~Britt Robertson

I was home-schooled. My mom wasn't a fan of public school systems.

~Britt Robertson

I like really bad T.V.; it's a problem. Love me some reality.
