Men, Racing, Media, Children, Events, Cutting, Confused, Athlete, Mean,
Communication*

The automobile, both a cause and an effect of this decentralization, is ideally suited for our vast landscape and our generally confused and contrary commuting patterns.

~Brock Yates

I have four grown children and two tiny grandchildren.

~Brock Yates

I admit to wasting my life messing around with fast cars and motorcycles.

~Brock Yates

Some guy once told me that skydiving is like cutting your throat and seeing if you can get to the doctor before you bleed to death.

~Brock Yates

Don't get me wrong, I think bikes are terrific. I own several of my own, including a trendy mountain style, and ride them for pleasure and light exercise.

~Brock Yates

As the saying goes, truth is stranger than fiction. But only when the reality has not been subsumed by foamy legends and fantasies that radiate outward from the actual event.

~Brock Yates

If any vestige of the American automobile industry is to survive, it must involve state-of-the-art vehicles that are not equal to but surpass the best imports in every way.

~Brock Yates

The bicycle is a former child's toy that has now been elevated to icon status because, presumably, it can move the human form from pillar to post without damage to the environment.

~Brock Yates

Had I been more responsible I might have made something of myself as a junk bond trader, long-haul trucker or perhaps a plumbing contractor.

~Brock Yates

Racing is bulging at the seams with pure nutball characters, men who can drink more, screw more, fight more, laugh more, joke more, than practically any collection of people in the world.

~Brock Yates

More books, more racing and more foolishness with cars and motorcycles are in the works.

~Brock Yates

A written regulation in NASCAR is about as reliable as an Egyptian immigration law.

~Brock Yates

Will a day come when our cars have carbon-fiber tubs, 18,000-rpm V-10 engines, and ground-effects tunnels? Perhaps, about the same time we have condos on the moon.

~Brock Yates

Regardless, I did rise to the editorship before embarking on a freelance career in the late '60's.

~Brock Yates

If one is looking for cultural testosterone and raging off-the-wall competition in the world of communications, Manhattan was - and is - home plate.

~Brock Yates

The early 1970s was a time when illegal acts were in style. Everybody was going nuts with causes, most of them against the law.

~Brock Yates

Everything at a NASCAR event carries a corporate logo except the lavatory stalls.

~Brock Yates
