I'm a Southern girl. I like when they open the door and pull out a chair. I'm really into a man's man.

~Brooke Burns

My natural color is dark blond, but right now I like being a brunette. I did a movie last summer and they dyed my hair platinum - I hated it.

~Brooke Burns

At night if I'm in a hurry, I'll just put on a lot of mascara and black pencil all the way around the inner rim. It's a totally sexy eye in a minute and a half.

~Brooke Burns

I love being a single mom. But it's definitely different when you're dating.

~Brooke Burns

To help my muscles rebuild after I work out, I have a small serving of cottage cheese.

~Brooke Burns

I broke my neck, it's a classic neck break from chin to chest. If I had been alone, I would probably be dead.

~Brooke Burns

I am so happy, so in love, and so content.

~Brooke Burns

When you choose to overcome something that could paralyze people, you have the choice to either let that happen or use that as a stepping-stone to something new and different in the future.

~Brooke Burns

There are still personalities that you bond with or a fighting spirit that

you connect with, but as a host you have to stay impartial and root for all of them.

~Brooke Burns

OMG, I am a married woman!

~Brooke Burns

I would borrow my mom's red Borghese lipstick and smear it on like a clown!

~Brooke Burns

I have a big personality, and I think big personality plus blond hair makes me come across as glib. With dark hair, people look at your face more. Before, it was all about the hair.

~Brooke Burns

I actually had kind of one of those crazy experiences where when I hit, it was black out excruciating pain, and then white out absence of pain, and the subconscious thought that I want to go back.
