Is it inevitable after a successful film that they're going to ask for another one? Yes. Do we want to rush and do it for that reason? No.

~Bryan Burk

It depends on the project, what's happening that day on the project, at what stage were in on the project; it varies from project to project and where we're needed.

~Bryan Burk

And then simultaneously I don't think they're asking you to necessarily write in stone that this is what you're going to do or what you have to do.

~Bryan Burk

Screening is an invaluable part of the process, obviously, having test screening and you definitely learn something.

~Bryan Burk

And more importantly what we found with those people is that a lot of them said, "Hey it's not what I thought it was going to be." Which is a great reaction, particularly if they liked it.

~Bryan Burk
