I feel that my ear candy is a little different from the ear candy most people are receiving right now.

~Bubba Sparxxx

You know, I think when people fly the nest a little too soon, as far as getting involved in movies, anything beyond the music can make it suffer, I just want to make sure that I'm not that guy.

~Bubba Sparxxx

I think the hip hop world and the rock world still have a lot in common, but it certainly seems like things happen and break at a much faster pace in the hip hop world.

~Bubba Sparxxx

A lot of people thought I was going to be a one-hit wonder, so I had that chip on my shoulder.

~Bubba Sparxxx

I'm not normally a jewelry person. I'm supposed to be a working class champion and all, and I don't like to rub my success in people's faces.

~Bubba Sparxxx

If you take any populated place - any major city in America - and drive 45 minutes from that spot directly out of town you'll be in about as country a place as you'll ever find.

~Bubba Sparxxx

The same things go on everywhere, whether you're from the city, the country or wherever.

~Bubba Sparxxx

Whatever is about you that is translated into your art, that's gonna keep you completely original and fresh and I just think that, that's just the best advice I can give, to an artist creatively.

~Bubba Sparxxx

We never got on a big, big tour, but we did a lot of spot dates.

~Bubba Sparxxx

I think the true rock fans are pretty loyal.

~Bubba Sparxxx

I wanted to tell my story in a way I haven't done before, things I've been going through in my life.

~Bubba Sparxxx

When people screamed novelty the first time around talking about an ugly video and stuff I was really insulted because, hold on a minute, everyone you see in the video are real life.

~Bubba Sparxxx

I want to get into the whole clothing thing, movies, but I just want to make sure that my artistry is locked down.

~Bubba Sparxxx

I started writing when I was about fourteen, but when I was about sixteen you know, I heard Outkast, that was pretty much when I was sold on it.

~Bubba Sparxxx

As far as the work I did with Timbaland, it was his sound and I just kinda floated in his direction. I just rapped over his traditional beats.

~Bubba Sparxxx

I aint choose to rhyme, Rhyming chose me.

~Bubba Sparxxx

You know, that's kind of the thing, I can't freestyle and I used to always

wonder why I couldn't, and when I would try once out of every six months, but I was always a great writer!

~Bubba Sparxxx

In the rural South, you have a town of 30,000 people and everybody's pretty much thrown on the same pile of doo-doo. You just learn to make the best of it and live with one another.

~Bubba Sparxxx

In the rural South, 'Bubba' is like how people say 'dude' in California. It's a name for a regular Southern man. I know a Chinese Bubba, a black Bubba.
