I love little Peter Pan collars and little puff sleeves.

~Busy Philipps

I never underestimate the power of hot rollers for your hair and eyelash curlers for your eyelashes.

~Busy Philipps

I don't believe in guilty pleasures. If you enjoy something, there's nothing guilty about it.

~Busy Philipps

No one cares what you ate for breakfast. Unless it's something really spectacular, don't tweet me your breakfast, I don't care.

~Busy Philipps

I just like working with people that I respect and think are really funny.

~Busy Philipps

Even though I do a more traditional type of being funny on television, I still know a lot of comedians and stand-ups and improv actors.

~Busy Philipps

My husband has no desire to work with me. He gets paid a lot of money to write giant movies. He's not into humoring me with my projects.

~Busy Philipps

It's weird people think my kids will be in therapy because of their names. Guys, my kids will be therapy for LOTS of reasons, I'm sure.

~Busy Philipps

I had a baby with no pain medicine, mainly because most people I talked to didn't think I'd be able to do it. So there!

~Busy Philipps

'Freaks and Geeks' was a show where our individuality was really celebrated.

~Busy Philipps

I actually feel like, for a lot of my career, I wasn't able to show my comedic range. I did a lot of dramas and dramedies. I was on 'E.R.' That's not generally thought of as a funny show.

~Busy Philipps

My mother accidentally gave me food poisoning. She fed me baby carrots for a snack before Christmas dinner - but they had expired in June! I threw up for the next 24 hours.

~Busy Philipps

Writing is difficult. It's a time commitment, it's labor and I'd have to get myself to sit down and actually do the work and outline.

~Busy Philipps

As my kid gets a little bit older, if I feel like I have a little bit more time on my hands, I'd like to get more into developing ideas and writing things.

~Busy Philipps

It's so hard to find the time. I only have one kid and it's hard with one kid. I can't imagine people who have more than that.

~Busy Philipps

I certainly did plays in high school and community theater, and I want to get back on the stage.

~Busy Philipps

For me, coming to work and laughing is so much more preferable than coming to work and having to cry over a corpse or something. That's a drag.

~Busy Philipps

Sometimes that happens when people don't really know how long they're going to have to stretch their story out for.

~Busy Philipps

I just take jobs that will have me. I'm an actress that works. I'm not an actress who's ever waited.

~Busy Philipps

I do like to pop in and help my friends out when I can, or be a part of their projects.

~Busy Philipps

As an actor, it's always fun when you're able to feel like there's freedom to explore things and try out jokes and be funny.

~Busy Philipps

We didn't name Birdie before she was born. When she came out I said, 'I think we gotta go with Birdie, I think that's her name.'

~Busy Philipps

From time to time I think I made some errors in judgment, but I have some really fashionable friends and I feel I've cultivated my own sense of style and what I feel comfortable with over the years.

~Busy Philipps

Every episode has a purpose to move the story forward.

~Busy Philipps

Becoming a mom allowed me to just relax in a way I never had before. I used to care a lot about what I looked like in public or what people thought of me. I care at least 40 percent less now.

~Busy Philipps

I've always liked being funny and making people laugh. I was a cut-up when I was a kid, and was always doing bits for my friends and family.

~Busy Philipps

I'm actually incapable of lying. I'm like a parody of a person who can't lie.

~Busy Philipps

I only became a celebrity because I had a kid. Before I was pregnant nobody cared. I joke to my agent that having a baby made my career.

~Busy Philipps

I would never be on a reality show.

~Busy Philipps

I'm so happy for anyone who chooses to get married! I want more people to join the club.

~Busy Philipps

Nobody wants to see a bejeweled pregnant lady from top to bottom.

~Busy Philipps

The good thing about being pregnant is that I don't have to worry about sucking it in or dieting!

~Busy Philipps

I love my nose! I was so nervous when I got pregnant that I was going to get that weird nose spread that you sometimes see pregnant ladies get.

~Busy Philipps

I know so many people who actually just watch television on their computers now and don't even really watch their TV anymore.

~Busy Philipps

I have to make a dress out of recycled materials for my kid's preschool 'Project Runway' - like assignment. I'm currently fusing plastic bags.
