I like to write with a lot of emotion and a lot of power. Sometimes I overdo it; sometimes my prose is a little bit too purple, and I know that.

~Buzz Bissinger

I always had a curiosity about Texas. I had a curiosity about small-town life, although, granted, Odessa's not a tiny town.

~Buzz Bissinger

My grandmother got her law degree from Syracuse University in roughly 1911 and later co-founded with her husband an investment banking firm on Wall Street known as Lebenthal & Co.

~Buzz Bissinger

If someone is going to criticize what you've written and you believe in what you've written then you should respond.

~Buzz Bissinger

Teams are made up of a lot of components. They're made up of hunger, they're made up of desire, they're made up of chemistry, and they're made up of emotion.

~Buzz Bissinger

Maybe it's a tired tale, but without an education, you're not going to go anywhere.

~Buzz Bissinger

Athletics: it's a wonderful thing, it's a spell-binding thing, nothing in life has quite as much pageantry, as much emotion within a finite time frame, it's incredibly exciting.

~Buzz Bissinger

Well I just always wanted to be a newspaper reporter.

~Buzz Bissinger

There are the medical dangers of football in general caused by head trauma over repetitive hits.

~Buzz Bissinger

One of the inspirations for my becoming a writer was the baseball board game Strat-O-Matic.

~Buzz Bissinger

One of the exciting things about reporting is going to places you've never been to before.

~Buzz Bissinger

Because Cards' fans are the most knowledgeable and loyal in all of baseball, they booed almost reluctantly, polite as booing goes, what would have passes as a standing ovation in Philly.

~Buzz Bissinger

If you leave your wife and you don't ever contact her again, that says something about how you felt about the marriage.

~Buzz Bissinger

Actually, my dog I think is the only person who consistently loves me all the time.

~Buzz Bissinger

Committing unnecessary surgeries is very, very rare. And it's very wrong.

~Buzz Bissinger

I actually like football a great deal.

~Buzz Bissinger

I am 5'6' and desperately wish I was taller.

~Buzz Bissinger

I don't have many friends in Philadelphia. I sort of have one. I have the dog and someone else.

~Buzz Bissinger

I think the older you are, the more you're going to cling to the printed word as being sacred.

~Buzz Bissinger

I think the only safe medium are books, because people like to hold books in their hand.

~Buzz Bissinger

Your perception plays tricks when you are hoping for something.
