When you leave good people afraid to speak on behalf of justice, however awkwardly or insensitively, those unafraid to speak will rise to power.

~C.E. Morgan

I was taught as a young person that the far political right and the far political left aren't located on a spectrum but on a circle, where they inevitably meet in their extremity.

~C.E. Morgan

Great literature rattles the mind and makes the body sing. It's an unmistakable, electric feeling, and too rare. That is what I want.

~C.E. Morgan

Love is not a feeling, but an action.
