Control what you can control. Don't lose sleep worrying about things that you don't have control over because, at the end of the day, you still won't have any control over them.

~Cam Newton

You cannot make progress with excuses.

~Cam Newton

You don't go into the game to compete. You go into each game to win.

~Cam Newton

Not to sound arrogant, but what I did in one year, others couldn't do in their entire collegiate careers.

~Cam Newton

I see the light at the end of the tunnel, so I'm going hard.

~Cam Newton

I'm a living testimony that anything is possible.

~Cam Newton

I'm an example of why people deserve second chances.

~Cam Newton

A person that says, 'Losing is not difficult,' I don't even want to be around that person. And obviously, that person has never won anything relevant in their life.

~Cam Newton

It's no secret that I am not afraid to shine bright and be festive, and I like to encourage that in others.

~Cam Newton

I see myself not only as a football player, but an entertainer and icon.

~Cam Newton

Tom Brady is good, real good...but he plays in same league as I do.

~Cam Newton

I did nothing wrong Everything I've done at this university I did the right way.

~Cam Newton

The quarterback is an extension of the coach and has a certain type of swagger mentality, on and off the field.

~Cam Newton

I keep my eyes open. I pay attention to how different types of people express their personal style, how they put their clothes together.

~Cam Newton

I don't want to be the center of attention, which is ironic. I hate having all eyes on me - unless it's for my job, and my job is playing football. I'm not that attention-hungry.

~Cam Newton

Good shoes - they're the ultimate finishing touch. In fact, we actually joke in my family that your shoes have to be shined before you can leave the house.

~Cam Newton

I just like having fun with my style and keeping it new.

~Cam Newton

Growing up in Atlanta I always had a sense of what fashion was, a sense of style - my parents always talked about the importance of making a first impression and that's stayed with me.

~Cam Newton

I create a different playlist for each and every [NFL] game. Before the game, to gametime, to warmups, going to the stadium, I have a different playlist that puts me in a different mode.

~Cam Newton

I wanted to give men an accessible line of clothing that's comfortable yet stylish and will help them to present the best version of themselves. It's easy - when you look good, you feel good.

~Cam Newton

With three boys in the house, my mother was always on us when growing up about keeping our faces clean, washing behind our ears, and brushing our teeth. So I still take my morning routine seriously.

~Cam Newton

I'm always open to discussing collaborations.

~Cam Newton

I don't ever want to seem like I'm trying to command attention through the way I dress - but I have certainly been known to wear everything from a flamboyant suit to something very mellow and classic.

~Cam Newton

Some people have certain beliefs, and I have my own belief, and we can agree to disagree on certain things.

~Cam Newton

I really believe that fashion, and dressing up, is a great way for guys to express and interact with their creativity.

~Cam Newton

I always keep my eye focused on what I would and want to wear.

~Cam Newton

Everybody's entitled to their own opinion.

~Cam Newton

Just like the NBA, the NFL has guys that can pull off multiple looks, ranging from street style to more dapper, buttoned-up looks, and people are starting to notice.

~Cam Newton

My parents do a lot of things behind the scenes that go unnoticed.

~Cam Newton

The way I represent my individuality is by mixing classic pieces - like sports jackets - with little, unexpected additions.

~Cam Newton

I am a southern guy who likes dressing up and looking sharp but who lives a busy life of working and traveling, and I need reliable, stylish pieces in my wardrobe that will service multiple occasions.

~Cam Newton

My place of refuge is definitely watching movies and playing video games.

~Cam Newton

My suggestion for a fast style upgrade would be to embrace a pop of color or pattern. Try layering a bright, pullover knit on top of a dress shirt with a subtle or bold pattern.

~Cam Newton

Every time I come to Auburn it's nothing but love

~Cam Newton

The NBA definitely has some trendsetters that stay up on the latest fashion, but I think you're starting to see guys like myself and others get

some much-deserved respect in the style department.

~Cam Newton

This is what makes sports so amazing, that we can start a discussion around a table, in the newspaper, in the magazines, that will get people's attention. And that's what sports does.

~Cam Newton

Some people are afraid to dress in ways that they actually like because it might be different than what most people expect or how others dress.

~Cam Newton

I think dressing nowadays went from trying to fit in to wearing something to try to stick out.
