Before a shoot, I'll watch what I eat. During the shoot, I watch what I eat. Afterwards, the first thing I do is go have a steak and French fries.

~Camila Alves

I respect marriage, and I think it's beautiful that people do it. But for me, more important than anything is having a peaceful life and a peaceful home.

~Camila Alves

I love wearing my hair curly, but turning the curling iron all the way up creates curls that look really made up and artificial.

~Camila Alves

I feel vulnerable in a good way. When I talk about my family, I usually have happy tears.

~Camila Alves

Life is not supposed to be easy. Stop working so hard to make it that way. Go ahead and handle it!

~Camila Alves

Anytime I am doing something that will help someone in any way, whether it is a simple recipe, a tip, a decoration thing, or a life-change thing, it brings me to life and inspires me to do more of it.

~Camila Alves

We are all going to die one day. Everything else, my friend, I am not sure.

~Camila Alves

I'm continuing to do what I can to empower and inspire other women.

~Camila Alves

A lot of times, drama around it is not for the worse but for the best in the

long run. If we look at it that way, I have learned to find the best of it in most situations.

~Camila Alves

I was never the girl that grew up saying I want to get married. I actually told my parents to not expect me to get married.

~Camila Alves

I think the only time that I worry about looking good is on the red carpet.
