We should decriminalize all drugs. The assumptions on which our drug policies are based are flawed.

~Carl Hart

The way we're currently educating people about heroin is to say that heroin is so awful. Heroin is not so much the problem. It's when you combine it. It's hard to die from heroin alone.

~Carl Hart

My critique of how we deal with drugs in society is just that - that we use these anecdotes to apply to everyone and the anecdotes are not representative.

~Carl Hart

People rarely die from heroin alone, it's the combination that's deadly. Maybe we should blast that out as a public health education message. That way at least we're keeping people safe.

High Price: A Neuroscientist's Journey of Self-Discovery That Challenges Everything You Know About Drugs and Society.

~Carl Hart

I am glad that people are trying to have a rational conversation about drugs.

~Carl Hart

Writing in a nuanced way, getting at all the details in a way that remains interesting for the reader, is very difficult.

~Carl Hart

We need to continuously put pressure on politicians to do more, because they are happy just to do nothingâ€”it's easier to do nothing.

~Carl Hart

I don't want to be on the bandwagon of dogging any president or anybody in positions where they have all these different constituencies.
