I think the success around any product is really about subtle insights. You need a great product and a bigger vision to execute against, but its really those small things that make the big difference.

~Chad Hurley

We started YouTube to democratize video distribution. Now, we are democratizing video creation.

~Chad Hurley

I was one of those kids who took apart their toys to see how they work, just to see what they were made up of.

~Chad Hurley

If something excites you, go for it.

~Chad Hurley

Running helped me learn how to deal with failure, and failure is a big part of the Internet business.

~Chad Hurley

YouTube is becoming much more than an entertainment destination.

~Chad Hurley

I think Facebook, Twitter and YouTube are the cornerstones of any social media strategy.

~Chad Hurley

The iPad - is that a phone or a computer? If I put it on my wall is it a TV?

~Chad Hurley

To some extent, being an entrepreneur is a lonely journey.

~Chad Hurley

There's always going to be a place for YouTube.

~Chad Hurley

When I started running cross-country and track in high school, literally every race was a failure.

~Chad Hurley

With YouTube - with the Internet in general - you have information overload. The people who don't necessarily get credit are the curators.

~Chad Hurley

More than simply capturing brief moments in time, MixBit helps people bring stories to life.

~Chad Hurley

I have the Sony Reader; I have the Kindle as well. I don't really use either of them, to be honest. I'd rather sit down with a cup of coffee and a newspaper than read all my digital books.

~Chad Hurley
