Now we are raising the debt limit 3 times, up to \$8 trillion, so that our children and our grandchildren will have to pay for the cost of our expenditures.

~Chaka Fattah

At his Philadelphia alma mater, Temple University, Cosby gave commencement addresses and attended games. He served on the university's board of trustees for more than three decades.

~Chaka Fattah

Currently, more than 4.7 million African Americans receive Social Security benefits, and nearly 8 million people with disabilities depend on Social Security for their daily sustenance.

~Chaka Fattah

This program that the Republican majority has taken us toward as a country is leading us to fiscal bankruptcy.

~Chaka Fattah

There's not an appropriations bill in the last 10 years that the-that Democrats passed in the Congress. We haven't spent any money of your taxes in the last decade.

~Chaka Fattah

African American children can't be educationally disadvantaged for 12 years and then experience a miracle cure when it comes time for admission into college.

~Chaka Fattah

Without Social Security, poverty rates for African American seniors would more than double.

~Chaka Fattah

Now, so, if you want to blame someone for wasteful spending, the

Republicans are in the majority.

~Chaka Fattah

While Social Security faces some long-term challenges, the system is not in crisis.

~Chaka Fattah

We need to have Bill Cosby month in Philadelphia.

~Chaka Fattah

Democracy derailed is democracy denied.

~Chaka Fattah

But the point you need to know is that no president at war cut taxes \$1.5 trillion, like George W. Bush did.

~Chaka Fattah

The education cuts in the President's budget are both irresponsible and morally unjustifiable.

~Chaka Fattah

The threat of terrorism is not stronger than the will of the American people.

~Chaka Fattah

We don't charge people for making a mistake or doing something foolish.

~Chaka Fattah

The Americans are optimistic by their nature. And they are hopeful.
