Life is what you make of it. Don't make excuses - make it happen.

~Chamillonaire

A moment will pass, but a movement will last.

~Chamillonaire

Every underground artist has that little chip on his shoulder, like "I'm stuck here, and I'm trying to get out of this little hole that I'm in." You've got this core fan base, but it's limited.

~Chamillonaire

America is fascinated with seeing people have nothing and turn it to something.

~Chamillonaire

What's life if you're not enjoying it?

~Chamillonaire

These palm trees like my old homeboys, hella shady

~Chamillonaire

They see me rollin', they hatin'

~Chamillonaire

People get tired of the same old sound. They want something new.

~Chamillonaire

When I get home and turn on the radio, I hear songs that are new to me, but to everybody else they're old. I try to keep the music fresh in my head.

~Chamillonaire

I just try to do me, and I feel like it works.

~Chamillonaire

If you're a humble person, and you walk in, and you start talking, people are going to be able to tell. You can't fake it.

~Chamillonaire

I feel like people, when it comes to music, whatever genre, they relate to the story more than just the song.

~Chamillonaire

Dumb nerd, scratch everything you already done heard I could go platinum if my album wasn't more than one word.

~Chamillonaire

I feel that success is the best revenge in this world.

~Chamillonaire

I just sit there and try to think of stuff that I could do that's a little different but still not step outside of who I am.

~Chamillonaire

I'm one of these people that just like to brainstorm.

~Chamillonaire

When I'm riding in a car, I don't really listen to music. I turn the radio off and just be thinking, brainstorming. I'm one of these people that just like to brainstorm.

~Chamillonaire

If you go down to Texas, people are real proud about and they rep Texas.

~Chamillonaire

So much leather inside my car my horn moos.

~Chamillonaire

People can see it when you're honest and sincere.

~Chamillonaire

There are certain fans who want me to rap about the same exact thing, but it's time to grow up.

~Chamillonaire

Eminem's rhyme patterns are super dope and he can squeeze a million words in a couple bars. Crazy creative. His voice changes alot though.

~Chamillonaire

It would be crazy for me to come out now talking about selling drugs and doing all this stuff I never did for the sake of A&R or records or trying to keep the street buzz or whatever.

~Chamillonaire

I kind of grew up and started maturing.

~Chamillonaire

I'm trying to go to places where people wouldn't normally, to try to get some new fans.

~Chamillonaire

If nobody wants to buy your album, who's going to buy your clothes?

~Chamillonaire

The streets and the industry are two different things. You could be one super-hot artist in the streets, and you could walk into a corporate building, and people would be like, "Who are you?"

~Chamillonaire

Most people hear me do all these freestyles and never hear me tell a story.

~Chamillonaire

It just gets old when you hear a million raps about how many ways I could shoot you.

~Chamillonaire

I just try to be more creative and come with something new because I actually care about the music.

~Chamillonaire

I couldn't make every song about Texas because it wouldn't be new; it wouldn't be a breath of fresh air.

~Chamillonaire

I try to keep the music fresh in my head. And I don't always listen to rap; I listen to a little bit of everything: R&B, rock.
