Inspirational, Firsts, House*

Lawsuit abuse is a major contributor to the increased costs of healthcare, goods and services to consumers.

~Charles W. Pickering

In states where no regulation exists, anyone is permitted to perform medical imaging and radiation therapy procedures, sometimes after just a few weeks of on-the-job training.

~Charles W. Pickering

In addition to fines, violators of decency standards could be required to air public service announcements serving educational and informational needs of children.

~Charles W. Pickering

A healthy democracy requires a decent society; it requires that we are honorable, generous, tolerant and respectful.

~Charles W. Pickering

In recent years, research into the prevention and treatment of arthritis has led to measures that successfully reduce pain and improve the quality of life for millions.

~Charles W. Pickering

Media corporations have a civic responsibility not only to prevent fraud and financial abuse, but also to not corrupt or degrade our culture.

~Charles W. Pickering

Twenty-first century medicine must not be confined to a twentieth-century bureaucracy.

~Charles W. Pickering

The current lack of a national standard for operators of medical imaging and radiation therapy equipment poses a hazard to American patients and jeopardizes quality health care.

~Charles W. Pickering

The House is rooted in the principle of direct elections and is unique among all branches and bodies of the federal government as without exception, the people's voice.

~Charles W. Pickering

Millions of Americans every year depend upon medical imaging exams to diagnose disease and detect injury, and thousands more rely on radiation therapy to treat and cure their cancers.

~Charles W. Pickering

If a catastrophic event wipes out a large portion of House members, America needs to know this body, elected by the people, will be quickly and legally reconstituted and will continue to function.

~Charles W. Pickering

The public airwaves provide a chance to affirm we want to be a good, decent people; a good, decent nation.

~Charles W. Pickering

Strokes are preventable and treatable. Prompt treatment of patients experiencing stroke saves lives and reduces disability.

~Charles W. Pickering
