Everyone's just a freak, but some people are trying to hide it and some people embrace it.

~Charli XCX

I really don't care what people think.

~Charli XCX

I have a dark side. I think everyone does.

~Charli XCX

Live in the moment. Feel everything you want to feel. And maybe have a couple of drinks if you're nervous, I guess.

~Charli XCX

I want to have tampons as merch that say "Periods are punk."

~Charli XCX

Vivienne Westwood really inspires me. I love her punk ethos.

~Charli XCX

When I first started, I wasn't really aware of anything in the industry or aware of who I really was. I just put my music out there and tried to get as many people to hear it as possible.

~Charli XCX

A good song can make you smile, or it can make you dance or laugh or remind you of a moment.

~Charli XCX

I like the whole laid-back rapping. I wish I could rap! I wish I could wrap like Azealia Banks or Lil Wayne or someone like that.

~Charli XCX

I see music in colours. I love music that's black, pink, purple or red - but

I hate music that's green, yellow or brown.

~Charli XCX

A great song can make you cry and transport you to another dimension.

~Charli XCX

[My mom] worries about me going and taking drugs, whereas my dad advises me on what drugs to take and what ones not to take. So, they're very different.

~Charli XCX

I like Lady Gaga's music and I think her fashion is great, but I saw her on a chat show and I wanted to punch her in the face.

~Charli XCX

I hadn't really thought about the kind of music I wanted to make. I was just making raps and stuff. I thought that was the coolest thing in the world.

~Charli XCX

I think true romance is dry schizophrenic... but life would be so boring without true love, so I guess you just roll with it.

~Charli XCX

I can't stand to hear my own voice. If one of my songs comes on in a caf , I'll run out right away and come back with the police.

~Charli XCX

I love the rawness in fashion.

~Charli XCX

I'm very closed off when it comes to working with people, I'm very selective.

~Charli XCX

I always look at my favourite photographs or favourite movies by James Bidgood or Sofia Coppola before I write my songs - they put me in the right frame of mind.

~Charli XCX

I've never been to New Zealand actually. All I know is that there's a lot of greenery there. I'd love to come and play a show there sometime soon for sure!

~Charli XCX

I'm someone who admires artists like Madonna and David Bowie, who really change their sound drastically between each record.

~Charli XCX

To be honest I'd just love to keep writing hits for other people... That's kind of my secret dream.

~Charli XCX

I always see colors when I listen to music. It's difficult to explain, but when I hear the music I think about gold, blood rushing.

~Charli XCX

I feel like I have an affiliation with the '90s. I feel like a lot of things going on in fashion and pop culture were loud and outlandish.

~Charli XCX

When I first began writing music I was really inspired by the French electro scene.

~Charli XCX

A lot of females are openly discussing their experiences as women in the music industry.

~Charli XCX

I feel like the worst fashion moments of the '90s were kind of the best.

~Charli XCX

The music I'm making is like an explosion of love. It moves away from super dark, its more romanticized and floral, but still quite black.

~Charli XCX

I've been thinking about where I want to take my live show. I want everything in it to be pink, gold, and black. I don't want people to feel any other colors, like brown or yellow.

~Charli XCX

Fashion is meant to be wild and expressive. I love colour but I also love basics - grungy minimalism mixed with this kind of broken-down cheerleader, is my thing.

~Charli XCX

I don't want to be a pop star. I want to be a nursery-rhyme star!

~Charli XCX

I want to create an experience with my music.
