If something inspires you, try and hold on to that inspiration because if you lose that inspiration, what do you have left?

~Charlie Benante

My friends are coming up - they run this tattoo parlour out there and they're gonna ink me up with the tattoo I've been wanting since I was two, right here, upper arm.

~Charlie Benante

The afterlife I'm not so sure about. So, I don't understand why you'd want to hurt other people in thinking that you'll go on in the afterlife to have bliss. I just don't understand it.

~Charlie Benante

I mean if it wasn't for The Beatles, none of this, none of the music we listen to would even exist. They're my favourite band of all time.

~Charlie Benante

I've been obsessed with The Beatles since I was two.

~Charlie Benante

I'd have to say that the 1994 Woodstock completely destroyed anything that came after it.

~Charlie Benante

We live in a time where everybody has an opinion and everyone's opinion can be featured somewhere, whether it's an online column and everybody has their form because of the internet.

~Charlie Benante

We loved that form of music. We're all huge rap fans, so we just incorporated it.

~Charlie Benante

Exactly you had to dress in flannel, and if you were a grunge band, before the grunge thing took off and you said you were METAL.

~Charlie Benante

Mostly every shirt and cover you see has come from my mind.

~Charlie Benante

Every time we have been drunk on Jager it's been - either we didn't remember or it's been insane.

~Charlie Benante

So biggest pussies in METAL, I'd say a lot of these emo bands come off as pussies. They have those beards and tight jeans and to me they all look so fake.

~Charlie Benante

Everybody is afraid to touch the topic of religion, especially with the extreme muslims. It's such a touchy subject. You can attack any other religion and nothing bad will come about.
