One day, when I am a braver man, I will tell her these things, and then I will look her in the eye, tell her I love her and ask her to be only mine. But until that day, we're just friends.

~Charlie Huston

Women. You tell me they're not all witches, and I'll tell you you haven't been paying attention.

~Charlie Huston

Pain cannot be ignored. However, it can be endured.

~Charlie Huston

One of the great things about being involved with comics is that those people are devoted to their characters, writers and artists. The average comic reader isn't casual about their habit.

~Charlie Huston

Things are as bad as you fear they are. People are as bad as you think they are. The Universe does not care.

~Charlie Huston

Once we understand how they think, we can predict their behaviour. And once we predict it well, we can manipulate it. That is diplomacy.

~Charlie Huston

I might be at a point where I don't want to go with a genre convention but I have to produce some pages. It's hard work. And it requires you learn certain skills.

~Charlie Huston

Pain cannot be ignored. However, it can be endured. When necessary, a great deal of pain can be endured. Just ask my mother.

~Charlie Huston

He has one of those heads people think about cutting off." "Yes. He does.

~Charlie Huston

There is very little sense that anybody really knows what works or why. But that's not a shock. And I don't think market research would solve that.

~Charlie Huston

The act of reading is so intimate that readers are unpredictable.

~Charlie Huston

I wish that the act of publishing a book was less of a nerve-wracking experience.
