It's not a bad day at work when you just have to take your shirt off for a big franchise movie. There are worse jobs out there!

~Chaske Spencer

What I like about New York City is nobody cares. If they do, they don't ever approach. They just give you a 'What's up?' and that's it.

~Chaske Spencer

I went to an all white school where I dealt with racism.

~Chaske Spencer

Where I come from, there were traditions with my race and whenever you faced a curve in life, there was always a tradition.

~Chaske Spencer

It's really surprising that what you put on paper, people will believe.

My face is on bubblegum wrappers now!

~Chaske Spencer

The acting part is easy; it's the preparing - lifting weights and getting your body in tip-top shape - that's the hard part.

~Chaske Spencer

The actors I admire are character actors.

~Chaske Spencer

Twilight' fans are great.

~Chaske Spencer

I think people should look at learning about Native American history the same as visiting Washington, D.C., and seeing the monuments there. It's all part of the package.

~Chaske Spencer

It's just amazing to do something that's part of a pop culture phenomenon.

~Chaske Spencer

I'm a movie guy - I can get lost in anything.

~Chaske Spencer

There was a point - when I was a kid - where I said I wanted to be like Luke Skywalker, with blond hair and blue eyes. My mom right there told me to never be ashamed of who I am.

~Chaske Spencer

A couple of girls I've signed autographs for have just cried or broken out into tears.

~Chaske Spencer
