Harlem is filled with moments of history.

~Cheo Hodari Coker

One of the things that's really the cornerstone of '90s hip-hop is sampling.

~Cheo Hodari Coker

I mean, we should only be talking about the merits of film ["Moonlight"] because one of the great things about the visual language is that it is the great equalizer.

~Cheo Hodari Coker

I was just really happy to see Barry [Jenkins] and Mahershala [Ali] and everyone else involved with "Moonlight" get their moment.

~Cheo Hodari Coker

The Academy Awards for people in Hollywood is like the Super Bowl, the presidential inauguration and winning the NBA championship rolled up into one.

~Cheo Hodari Coker

The only thing I can worry about is my swimming pool and keeping the leaves out of my swimming pool. I can't worry about what's happened to my neighbors.

~Cheo Hodari Coker

That's one thing that you notice in New York that you don't notice in LA is how much music is all over the place.

~Cheo Hodari Coker

The one thing you'll notice when you're walking through Harlem is every single passing car is playing different music and there's also music that's being played out of windows.

~Cheo Hodari Coker

If you're black living in the community and you want to change things, there are going to be things that happen. That's true of anybody. I mean you could use celebrity as a similar metaphor.

~Cheo Hodari Coker

When you're a black superhero you can't erase the notion that you're black.
