When you're working on a record, I find it's better not to share details during that process. Because, until it's done, it can change.

~Chris Baio

I'm not really much of a prankster, but I've definitely been pranked. I never really liked being pranked, so I generally try not to prank people.

~Chris Baio

Now, I'm mostly a beer man. When I drink hard liquor, it usually doesn't end the best, so I keep it chill with beer.

~Chris Baio

I had accepted a job being a math teacher for Teach For America. So, that's what I would have done at least in the two years after I graduated.
