Respect yourself, your Opponent and the Game

~Chris Carter

When something original works, then everyone wants to copy it. But if you're trying to do something that no one's ever seen before it's frightening.

~Chris Carter

I think science is about the search for God; it just comes at it from a different angle than religion.

~Chris Carter

It's really hard to scare people on network television. You've got to be smart about it. You've got to parcel out the scares.

~Chris Carter

New Zealand totally rejects Japan's proposals to double the number of whales slaughtered in the Southern Ocean

~Chris Carter

Learning to fly an airplane taught me a way of thinking, an approach to problem-solving that was applicable and effective. Pilots are very methodical and meticulous, and artists tend not to be.

~Chris Carter

People thought the storyline and characters for 'X-Files' made it a 'dark' show, but I never saw it that way. I always thought Mulder and Scully were the light in dark places.

~Chris Carter

There's always the pressure to make the movie good.

~Chris Carter

You have these catch-phrases that you associate with 'The X-Files':

'Trust No One,' 'Deny Everything.' 'Believe the Lie' was one of them.

~Chris Carter

I love jazz and funk, because it's hard. If it's not hard, it's not worth doing.

~Chris Carter

I wasn't a big science-fiction fan growing up. But I loved Jules Verne and Sherlock Holmes. Both came into play on 'The X-Files.'

~Chris Carter

I hope that I'm not simply defined by 'The X-Files,' and I hope I have more work that is important to do.

~Chris Carter

He is a leader among leaders.
