

Chris Hughes

Quotes

*People, Thinking, Technology, Skills, Needs, Ideas, Parent, Believe, Children,
Religious, Social, Opportunity, Size, Long Time, Metrics, Iphone, Trying,
Individual, Buzz, Real*

You need to be surrounded by good advisers, but you also need to trust your instinct.

~Chris Hughes

People are not good at expressing their frustration. The best way to listen to the customer is through metrics.

~Chris Hughes

I'm the kind of person that needs to think things through. But when I know what I want to do, I really know.

~Chris Hughes

I fundamentally believe that people have a genuine desire to be positively engaged in the world around them.

~Chris Hughes

It takes time for people to get to know a cause or an organization.

~Chris Hughes

I look up to a lot of people, but outside of my parents, I've never really had a mentor.

~Chris Hughes

Profit per se is not my motive.

~Chris Hughes

I knew I wanted to do something at the nexus of what I call global development and technology.

~Chris Hughes

I was on significant financial aid, an only child, with parents who didn't have much living in North Carolina.

~Chris Hughes

I exercise most days.

~Chris Hughes

Use your own experiences and pain points to identify an opportunity. Be arrogant thinking you can do it better than others.

~Chris Hughes

My real big Internet claim to fame is the fact that I was first to jailbreak the iPhone.

~Chris Hughes

People are doing amazing things right now on the Web.

~Chris Hughes

Anybody can be ambitious.

~Chris Hughes

I don't really know what 'community' means. And I never use that word.

~Chris Hughes

Mostly what I'm focused on is finding people who are younger who haven't built companies before but have a good idea.

~Chris Hughes

The more connected that individual is to an issue they care about, the higher probability there is they will stay involved over a longer period of time.

~Chris Hughes

The audience might not be the size of Facebook, but how much time can you spend online and think, 'What did I just learn?'

~Chris Hughes

I went to boarding school Southern, religious, and straight, and I left

boarding school not being at all religious and not being straight.

~Chris Hughes

I believe that the demand for long-form quality journalism is strong and I think that despite all of the changes in technology over the past few years, people still want in-depth, rigorous reporting.

~Chris Hughes

By 2007, we were finally living in a culture where people get what networks are and what technology can do to connect people.

~Chris Hughes

I am a person who feels compelled and then gets immersed.

~Chris Hughes

I didn't know anything about Silicon Valley.

~Chris Hughes

I was trying to figure out how to use the skills I had developed in the world of social change.

~Chris Hughes

Five to 10 years from now, if not sooner, the vast majority of 'The New Republic' readers are likely to be reading it on a tablet.

~Chris Hughes

Ads shouldn't be in people's way.

~Chris Hughes

As a child I wanted to become an architect.

~Chris Hughes

Buzz is not what I am looking for.

~Chris Hughes

Maybe it is because of Facebook or something else, but I have been interested in journalism for a long time.

~Chris Hughes

Many of us get our news from social networks, blogs, and daily aggregators.

~Chris Hughes

I think Twitter is great.

~Chris Hughes
