

# Chris Johnson Quotes

*Artist, Want, Way, Track, Different, Men, Rome, Broken, Perfect, Inspirational,  
Real, Live Your Life, Accepting, Caught, Love Life, Wisdom, Defense, Sound,  
Singing, Shadow*

Accept and allow. This is the key to living a life full of Love.

~Chris Johnson

You've only got one life and you have to live it. Take every single lesson as a learning one.

~Chris Johnson

I really want to work on a record of mine and I'm just getting inspiration from different sources like one of my favourite bands, Led Zeppelin, and Radiohead.

~Chris Johnson

Rome didn't create an Empire by holding meetings - they did it by killing their enemies.

~Chris Johnson

I've still never gotten behind the defense and been caught.

~Chris Johnson

Love everybody. If they do you wrong or they brush you the wrong way it's OK, you don't have to hold on to that, you can still love them from afar; you don't have to really deal with them.

~Chris Johnson

Truth can be sliced a hundred different ways, and it will still remain true, but falsehood shrinks into the shadows, hoping never to be tested, with excuses aplenty.

~Chris Johnson

Anytime I'm on the field and my teammates are on the field with me, I just want them to have fun.

~Chris Johnson

It feels real good to look at some of the guys who have played before

me, then come in and break a record. But records are made to be broken.

~Chris Johnson

Don't congratulate yourself for baseline integrity.

~Chris Johnson

When you hear tracks everybody immediately thinks that nobody is really playing or singing. That's not the case at all.

~Chris Johnson

I take my job very seriously and I work the best that I can on every drum that I hit. I want all the drums and cymbals to sound the best. I strive for perfection and I won't take anything less.

~Chris Johnson

Women are emotional! And being an artist and a woman is probably more difficult because you have more stuff to overcome.

~Chris Johnson

We want revenge. We played well against them last time, and we feel like it's our turn.

~Chris Johnson
