I can't stop being in parades. I just love dancing on floats that move really slowly on the city streets in the early morning.

~Chris Kattan

I love any movie that has a retarded person working at Starbucks.

~Chris Kattan

I like light green, sometimes red is fun to look at, not a fan of yellow, unless it's in a rainbow or on a coffee mug or on a happy face.

~Chris Kattan

Here in L.A., there are a lot of dead spots, and you have to drive to find energy, but all of India is so energetic.

~Chris Kattan

I love traffic. It's fantastic. New York traffic is so relaxing.

~Chris Kattan

It sounds gross to say that I like myself more. But not everyone likes themselves that much. Especially in the comedy world.

~Chris Kattan

Being able to improvise is the basis for creating all characters and situations, for everything to do with performing, really. And it's good therapy as well.

~Chris Kattan

I'm fine with the life I have.

~Chris Kattan

Believe in yourself and try not to take anything personally.

~Chris Kattan

I understand what my gift is, which is making people laugh, hopefully. It's more on that level. I don't need to be a leading man, I'm fine with that.

~Chris Kattan

I like women who are okay with who they are.

~Chris Kattan

Can you know the mighty ocean? Can you lasso a star from the sky? Can you say to a rainbow... 'Hey, stop being a rainbow for a second'? No! Such is Mango!

~Chris Kattan

I wish I was dating one of the ladies in 'Bollywood Hero.' They're gorgeous. Any of them.

~Chris Kattan

I'm not trying to sound like I turned into some kind of wise man, but it's nice to realize that your little pocket of the world isn't the whole world.

~Chris Kattan

It's fun for someone to poke fun at himself.

~Chris Kattan

It's a different thing shooting for 10 weeks in India as opposed to on a set on stage pretending you're in India.

~Chris Kattan

I'd love to have a child. Either one or 40. I love kids.

~Chris Kattan

In Hollywood, what they last saw you in is what you are. It's hard to break away from that.

~Chris Kattan

In Hollywood, moviemaking used to be about escaping reality to go to the movies.
