House music is about love, and lots of hip hop is about hate and intolerance, so in that respect, it's not good at all.

~Chris Lowe

There's nothing I like more than being on a dance floor with a thousand people feeling love for humanity.

~Chris Lowe

Whoever invented God is an idiot. God is absolutely man's worst invention.

~Chris Lowe

Well, I love what you would call boys' music, you know, the prodigy, banging techno, music that girls generally don't like.

~Chris Lowe

Chart positions aren't the be all and end all.

~Chris Lowe

I'm beginning to think that you should only be allowed to serve two terms, before madness sets in.

~Chris Lowe

I always have a very strong sense of shaming oneself, and you can do that a lot in the public eye, so it's best avoided at all costs I think.

~Chris Lowe

Love Comes Quickly is our favourite record ever, and it did really badly.

~Chris Lowe

The clubs are good fun-having a laugh, really having a good time.

~Chris Lowe

We never let go. Ever. Even with punctuation. It's frightening. I can't see anyone from any record company ever writing an email to Neil and not getting it back, with corrections.

~Chris Lowe

Stupidity combined with arrogance and a huge ego will get you a long way.

~Chris Lowe

Using music to promote hate seems to be the bastardisation of music to me.

~Chris Lowe

Even the Beatles lived their lives as a soap opera.

~Chris Lowe

Electroclash is good because it's stayed underground.

~Chris Lowe

I don't think you ever know in yourself whether you have gone mad.

~Chris Lowe

You can get too bogged down in technology and you can sort of forget what it is you were trying to do. And with the Pet Shop Boys it's primarily about the songs, it's about song writing.

~Chris Lowe

When West End Girls came out on import, I was a student at Liverpool University. I'd go to a club in Liverpool and it would come on, and I'd be really embarrassed.

~Chris Lowe

I think sometimes an artist can really lose sight of what made them popular in the first place.

~Chris Lowe

I feel like the Internet has really freed everything up to an extent, hasn't it? That radio maybe doesn't have quite the power that it had before.

~Chris Lowe

I don't think you ever know in yourself whether you have gone mad. You exist in a bubble. There comes a point where you suddenly feel not really a part of the world, you're just passing through.
