There's no more personal issue than gun violence; every one of these stories is a life lost, i'm hoping that over the long term, as I tell these stories, that it will help to open people's eyes.

~Chris Murphy

I will consider my time in the Senate a failure if we don't pass some meaningful legislation to reduce the likelihood that Sandy Hook ever happens again.

~Chris Murphy

From fear of the unknown, both horns and wings have grown.

~Chris Murphy

You have to think not about what you mean but about what people hear.

~Chris Murphy

The absence of fear is love.

~Chris Murphy

I wake up ready to right and I feel like I'm on the right side of history every day.

~Chris Murphy

Republicans are going to have to come to the conclusion that there's a political price for standing against 90 percent of their constituents to stand with the gun lobby.

~Chris Murphy

No need to repent, no need to forgive - reverse 'evil' to live.

~Chris Murphy

A domain exists where concepts can't go; so leave them on the doorstep to enter.

~Chris Murphy

Frankly, when you twin the language of assassination threats with Donald Trump's suggestion that a Hillary Clinton electoral victory would be illegitimate, it scares the hell out of me.

~Chris Murphy

So sophisticated and smart, but our eyes tell us lies, or at best the truth in part.

~Chris Murphy

My career in Congress is a story of before Sandy Hook and after Sandy Hook.

~Chris Murphy

What is happening in Iraq now is awful, but it is a consequence of our invasion, not our withdrawal.

~Chris Murphy

The anti-gun-violence movement was essentially asleep from 1994 to 2012, and during that time, the gun lobby built up enormous political power.

~Chris Murphy

Living in stressful situations there are chemicals in your brain that are released that essentially degrade the neuron connections that allow you to function as a normal human being.

~Chris Murphy

Donald Trump has a lot of supporters with a deep hatred of Hillary Clinton and access to incredibly powerful lethal weapons.

~Chris Murphy

At some level, Trump is more radical than the NRA. In the wake of

Orlando, he was calling on people to walk into bars fully armed as a means to prevent future tragedies.
