I try to penetrate the lane like Steve Nash, pass like Jason Kidd, and handle the ball like Allen Iverson. Remember, I said 'try to'.

~Chris Paul

Keep practicing. Never let someone tell you you're too small or too slow.

~Chris Paul

You only get a chance to live your dream once, and I'm living mine right now.

~Chris Paul

Every now and then you're going to get beaten, but we work hard.

~Chris Paul

I've been fortunate to be short my entire life. There's only one position I've ever had to play, and that's point guard. So I've always had to be that leader. And that was my job: you know, to talk.

~Chris Paul

No matter where you put me, I don't care if it is North Carolina, Florida, California, New York City; I'm going to be who I am.

~Chris Paul

Being close ain't good enough.

~Chris Paul

I hate losing more than I like winning

~Chris Paul

Exercise and good nutrition helped make me what I am today and are critical in allowing me stay on top of my game.

~Chris Paul

I always have said that the most valuable thing I have isn't money; it's my time.

~Chris Paul

For me, it's all about who you are. Some athletes may feel a responsibility. Some may not. One thing I've talked with my family and team about is doing more. Trying to make an impact.

~Chris Paul

I'm not the greatest long-distance shooter, I know that. But I know if I can get around that free-throw line area, a lot of times you've just got to hope I miss.

~Chris Paul

I had never been to Oklahoma City before. I had no clue. Just heard there were a lot of tornadoes.

~Chris Paul

I play basketball to win a championship. That championship is everything to me. And that's what gets people to buy in to your brand - being a winner.

~Chris Paul

Whatever I have to do to help us win, I'll do.

~Chris Paul

People have said I have a Napoleon complex. But I've always had to fight for everything that I have.

~Chris Paul

It's a business now. But you still have little butterflies in your stomach before every game.

~Chris Paul

For me, hip-hop culture is involved in everything - it's in me, in who I am, in how I dress, how I talk. It's in my son and my wife.

~Chris Paul

Family was real important in putting me on my path. I'm so blessed to come from a home with a mother and a father.

~Chris Paul

Even today a lot of people know me because of my grandfather.

~Chris Paul

If my son is happy, then I am happy.

~Chris Paul

We showed why road games have been tough for us throughout this year. That's where we've got to get better. It's a learning experience.

~Chris Paul

I grew up on games like Madden and NBA Jam, then moved on to NFL 2K on Dreamcast. The game I really loved was Virtua Tennis.

~Chris Paul

One of the things you learn when you go overseas is how much a lot of the countries overseas really just like to enjoy life.

~Chris Paul

I can dunk! I can dunk, and not just in NBA Live.

~Chris Paul

What I really try to do is take different pages out of different players books.

~Chris Paul

I trust my wife more than I trust myself.

~Chris Paul

I've been a winner my whole life.

~Chris Paul

That's the great thing about big cities: Nobody is judging. You really get a chance to show who you are with your style.

~Chris Paul

The least amount of buttons [in suit], the better. If you have to go with three, you can go three. But all that eight-button stuff? Nuh-uh, not a fan.

~Chris Paul

I'm not much into anything too flashy.

~Chris Paul

Sometimes the fans are too nice.

~Chris Paul

I always tell D-West, 'We're the leaders on the team, and if we go down, we've got to go down shooting.'

~Chris Paul

I've always been vertically challenged. I never grew at all until my junior year of high school-if you call that growing.

~Chris Paul

I have a Dominique Wilkins Hawks jersey that I still wear. That's probably my favorite one. What's funny is that I spend all this time collecting jerseys, and now people are out there collecting mine.

~Chris Paul

Im still getting more familiar with the plays and different things, but I

think that will come along with getting more experience and getting to know the guys better.

~Chris Paul

I need energy every day. Whether I'm leaving home and going to practice or getting in the car with my two kids to take my son to school - I need all the energy I can get.

~Chris Paul

I was always into sports games. Never really played anything else. I grew up on games like Madden and NBA Jam.
