I think any man over 250 pounds rollerblading is instant hilarity. There's nothing funnier than a giant, grown man rollerblading.

~Chris Pratt

I like to do 'Garfield Mondays': lasagna and napping in a box.

~Chris Pratt

I don't have any delusions. I don't think I would make it through Navy SEAL training.

~Chris Pratt

If you wait for things to be perfect you'll just miss out on life.

~Chris Pratt

As an actor it's always easier to shave or cut your hair for a role, but it's hard to put fake hair on or grow hair for a role.

~Chris Pratt

Being in good physical shape is the best way to combat depression. You just have endorphins running around your body. It is the best anti-depressive that there is.

~Chris Pratt

Just be comfortable with who you are.

~Chris Pratt

My favorite way to blow off steam is to sing obnoxiously loud in the shower.

~Chris Pratt

It's really nice to have someone who's intelligent and articulate to talk to about what you're doing, because it's a big part of who we are.

~Chris Pratt

I have a lot of plants and fish and a pet lizard and Venus flytraps. I have a whole ecosystem in my room, like a running waterfall and different lights and sensors set on digital timers.

~Chris Pratt

You can pour melted ice cream on regular ice cream. It's like a sauce!

~Chris Pratt

I have some weird habits. For instance, I love beets. Show me a salad bar and I will clean them out of their beets.

~Chris Pratt

Perfect sandwich? Two slices of white bread, mustard, mayo and a platinum American Express card.

~Chris Pratt

Film is cool because it's an hour and a half to two hours. It's a great ride. It's typically three acts - beginning, middle and end. It's going on an adventure and by the end it's all cleaned up.

~Chris Pratt

Actors come up and just blatantly hit on my wife in front of me and don't even look at me.

~Chris Pratt

I've always been a little soft. I like to eat.

~Chris Pratt

Leslie, I typed your symptoms into the thing up here and it says you could have network connectivity problems.

~Chris Pratt

I married way out of my pay grade. I have no idea how that happened.

~Chris Pratt

Just be yourself and forget all of the stuff you read in 'GQ' magazine.

~Chris Pratt

Some people fast, some people go on a cruise or visit a day spa. I get out in the woods with a rifle or a bow. That's my release.

~Chris Pratt

To go to the Oscars for 'Moneyball' - that was pretty amazing.

~Chris Pratt

As long as I keep getting cast, I don't care if it's typecast.

~Chris Pratt

I loved to always get naked. I was very free, so I thought, I may as well get paid.

~Chris Pratt

America is at war. Go eat a donut.

~Chris Pratt

Both 'OC' and 'Everwood,' there were people on set where you learned to stay away from them on a bad day.

~Chris Pratt

I just feel like, if I drink, I want to drink a case of beer and not two beers. Two beers doesn't do anything for me.

~Chris Pratt

I've eaten weird things through the course of my life. I've eaten wild game, I've eaten possum - possum's no good.

~Chris Pratt

I lose my cell phone so much that I switch it every month or so, but Sony Ericsson is usually what I use.

~Chris Pratt

Television is such an evolving medium.

~Chris Pratt

We cannot judge of the fact, but the law upon the fact.

~Chris Pratt

I'd love to work with Steve Martin. I'd love to work with Bill Murray, Dan Aykroyd.

~Chris Pratt

Celebrity is intoxicating.

~Chris Pratt

I would definitely not rule out doing television, in the future, because I think it's a great medium for telling stories.

~Chris Pratt

People have told me I look like Gordon Lightfoot.

~Chris Pratt

When you look at pictures of me, the longer my hair is, the longer my facial hair is, that's just the longer I haven't gotten a job.

~Chris Pratt

Nick Offerman is my hero. He just cracks me up. He's so funny, but he's a true actor, too - he's bringing so much when he's onscreen.

~Chris Pratt

I went from 220 pounds that I cut down for 'Moneyball' to almost 270-280 pounds for 'Ten Year.'

~Chris Pratt

I don't even know how I ended up with the woman that I'm with!

~Chris Pratt

I love 'Capote.' Huge fan of Philip Seymour Hoffman; if he's not my all-time favorite actor he's definitely in my top five. I just love him so much.

~Chris Pratt

What's so great about TV is that you can get an opportunity to tell really rich stories, over the course of so many hours. It's like a novel of this type of medium.

~Chris Pratt

You can't have a laugh track that sort of tells the audience when to laugh and, you know, it's difficult to find those moments.

~Chris Pratt

A good corroborating chain, if they fail in the last link, the whole will fall to the ground.

~Chris Pratt

I'm happy to try any genre, from drama to comedy and anything in between. Although, to be fair, for most of my career, I've been at the mercy of what people are willing to put me in.

~Chris Pratt

If one day someone came up to me and was like, 'Look, you're never going to act again,' I don't know what I would do.
