There will be more words written on Twitter in the next two years than contained in all books ever printed.

~Christian Rudder

People tend to prefer their own race online in terms of the volume of messages.

~Christian Rudder

Kind of paradoxically, men are very open minded or very even handed with their votes of women.

~Christian Rudder

Dudes have been making up stuff about themselves probably since there have been dudes.

~Christian Rudder

Because the way love works in general, you don't need everybody to like you somewhat - you need one person to like you a lot.

~Christian Rudder

Going to a site with more users seems obviously better to me, but at the same time, having a bland, middle of the road profile with bland, middle of the road pictures seems like a bad strategy to me.

~Christian Rudder

Text is, in some ways, on the way out, unfortunately. There are dating sites now that are just pictures.

~Christian Rudder

I know that shorter messages are better in terms of reply rate. The optimal length is something like 50 characters. Characters, not words.
