There are still places to go, there are still dinners, there are still parties, and you can still get dressed up. That's part of having fun in fashion.

~Christian Siriano

You can wear whatever, be whatever, do whatever you want.

~Christian Siriano

Shoes are a big part of your look. I think that if your outfit isn't really something special, then fun footwear is a great way to jazz it up and make your ensemble more interesting.

~Christian Siriano

I think everybody needs a little bit of Minnie in their wardrobe.

~Christian Siriano

The bows, the polka dots, the color, the playfulness - you don't have to over do it. You just have to be able to style it in the right way.

~Christian Siriano

Our girl's going to Capri for fun. We've got an Italian island vibe.

~Christian Siriano

I even like when girls wear printed Minnie Mouse T-shirts with a cool ball gown skirt, or a ripped up pair of jeans - it's all about how you style it.

~Christian Siriano

I think that red polka red dress is just iconic.

~Christian Siriano

I'm going to have some fabulous nights out with champagne.

~Christian Siriano

Fabrics and lining make a big difference in the garment. If you're buying

an expensive trench coat, and it's lined in something cheap, it doesn't feel as nice.

~Christian Siriano

Everything I wear is a do and everything else is a don't!

~Christian Siriano

We found the time and we put in the effort because being a label that different women can wear is really important to us.

~Christian Siriano

When Gwyneth Paltrow wore a dress of ours, that was probably our number one best seller besides when the lovely Mrs. [Michelle] Obama wore our dress.

~Christian Siriano

You've got to look at the timing. But Mrs. Michelle Obama. Gwyneth Paltrow. Zendaya. Those are women who inspire other women's style for sure.

~Christian Siriano

We have a lot of different girls on the runway today! All different sizes.

~Christian Siriano

I'd rather buy clothes than buy a bed

~Christian Siriano

I want to have my own line and collection.

~Christian Siriano

I just think it's great to show a gown that's \$8,000 and a shoe that's, like, \$25-but still look fabulous together.

~Christian Siriano

I Google everyone I meet and I look up designers.

~Christian Siriano

When you're a teenager with a creative mind, be as creative as possible. I'd rather you go nuts. Having more ideas is always better.

~Christian Siriano

When you're an adult designer, you're either running a business or you're helping someone else's business run. Either way, that's a lot of pressure.

~Christian Siriano

I came from a different world from other designers because I already had such a strong fan base that was interested in fashion. You have to give the little divas something.

~Christian Siriano

I think I was very young when I became interested in fashion.

~Christian Siriano

When Oprah Winfrey wears something, it works out, too. But if someone's having "a moment," that always helps.

~Christian Siriano

I think Zendaya Maree Stoermer Coleman moves product well. We love her! That pink suit she wore of mine sold very well.

~Christian Siriano

I am confident and I work so hard to be confident. If I wasn't talented, then I wouldn't be as confident.

~Christian Siriano

A bad investment is going for quantity over quality. If you're trying to be careful with your wallet, especially with the economy right now, you

have to choose staple pieces.
