I've been telling everyone for weeks now about how I get to play Lois Lane. It's a big deal. There are a few characters throughout your life which everyone knows and this is one of them. I can't wait.

~Christina Hendricks

I was a goth girl in high school. Perhaps the powdered white face and the black lipstick were not the most attractive. I felt fabulous at the time but looking back, uh, probably not the best idea.

~Christina Hendricks

Sexiness is about being an individual and having conviction about what that is.

~Christina Hendricks

I have a problem keeping my mouth shut. I usually speak my mind. I'm trying to learn my lesson.

~Christina Hendricks

I've always been someone who really watches other people, human behavior. To watch it and be able to express it through your version has always been really exciting to me

~Christina Hendricks

I met a lot of young girls modelling and they were like, 'Oh, I'm running around town and people are taking my picture', while I was saving receipts and learning how to be self-employed.

~Christina Hendricks

I think Joan's advice would be: always know more than anyone else, always be discreet as possible. And never cry at work.

~Christina Hendricks

I adore the incredibly tight clothing! My own wardrobe's changed - I've streamlined a little bit and definitely learnt from Joan's sleekness and

tailoring.

~Christina Hendricks

I'm just looking for material that excites me more than any specific genre. It just needs to be good.

~Christina Hendricks

I'm not quite at the point where I feel the need to wear disguises in public.

~Christina Hendricks

Yeah when you're in the middle of filming this movie [Bad Santa 2] it doesn't matter what you say you can think of some sort of way to twist it into something dirty so we were laughing a lot.

~Christina Hendricks

Oftentimes when I do a project I do get influenced by the wardrobe. I certainly learned a lot from 'Mad Men' and from Janie (Bryant) in particular. She's just so fabulous.

~Christina Hendricks

I thought, well, you might see curves there, but that's just a bone - so even if I lose weight that's not going to change anything. That's how I look. That's my shape. Do the math.

~Christina Hendricks

I admire so many women, it's hard to choose, but I've always loved Marilyn Monroe, Brigitte Bardot, and Mia Farrow.

~Christina Hendricks

I was the nerdy one. I always played those kind of characters until Mad Men.

~Christina Hendricks

I'm open to trying new things. That's why I think Birchbox is so awesome! It's something to look forward to and introduces me to something maybe I wouldn't have picked out, but fall in love with.

~Christina Hendricks

It's hard to top what you see in the film, they were just such a great group of people to work with and we all hung out in between scenes and I got to know everybody a little bit.

~Christina Hendricks

I have to admit, I do loooove eggnog.

~Christina Hendricks

I auditioned for so many things - cops, lawyers, doctors and things but they were like, "She just seems too sweet. I don't see that hard side of her."

~Christina Hendricks

I had always heard of Bad Santa one but I hadn't seen it, but it was sort of legendary.

~Christina Hendricks

I definitely am drawn to deeper reds and wine colors for lips and even cheeks during the holiday.

~Christina Hendricks

Even when I did Ryan Gosling's movie (Lost River), we had a very '80s kind of vibe and I would say for two or three months after that, I was dressing in a very sort of '80s way.

~Christina Hendricks

I often played the nerdy friend or the goofy sidekick or the sort of naïve movie character in some ways.

~Christina Hendricks

Some of the things people have said about me, well, they're unbelievable

~Christina Hendricks

Cats appear to have a wonderful ability to weed out everything they don't need to know, while honing in on what is important to them.

~Christina Hendricks

If my legs are showing, the makeup artist adds a tiny amount of foundation to body lotion and rubs it in.

~Christina Hendricks

One of my favourite messages about The Pirate Fairy is that the story is about appreciating your own talents.
