Living in Maryland, I saw that the opportunities were far greater in California than back home.

~Christina Milian

I was living in Maryland and my first week was dreadful. My first week I actually got into a fight at school

~Christina Milian

I enjoy being happy every day, and hopefully you can hear my happiness in my music. Life is beautiful.

~Christina Milian

Even in relationships, I don't get my hopes up or anything, especially not right now because I know I'm young and I've got plenty of time later in the future.

~Christina Milian

I like doing arts and crafts, so I would probably go to one of those fun little ceramic places and go paint some plates and do something fun like that

~Christina Milian

I also have two dogs, a Chihuahua and a Yorkshire terrier, so if they like him, that's a good sign.

~Christina Milian

For one year I did go to Performing Arts School, and I had very weird friends.

~Christina Milian

Love yourself for who you are. You are beautiful inside and out, and nobody can take that away from you.

~Christina Milian

I signed to Def Jam and within two months, I heard that Ja Rule was looking for someone to do a song with.

~Christina Milian

When I meet somebody, I hang out with them, and it's all good, but I don't take it too seriously

~Christina Milian

I had actually been on tour in Japan and I had my own world tour that I was doing. I was used to doing a show for an hour, so I was always learning choreography

~Christina Milian

Even if I don't have the money to take vocal lessons, I'll practice in the house by myself singing out loud.

~Christina Milian

I would love to do some kind of mystery movie, or an action flick, something with that combination

~Christina Milian

Never give up. Never stop being creative in finding ways to get exposure. Also, prepared anytime and all the time. You never know who you will run into.

~Christina Milian

Also, my mom and family are very important to me and I know that this is not expected.

~Christina Milian

That's my fun time so, to me, doing my homework, studying on what I do, watching the movies, listening to music, all that inspires me so I focus a lot on that and practice

~Christina Milian

There hasn't been one highlight that stands out... but touring and performing has been great.

~Christina Milian

When we were doing the cheerleading for this, I was excited about doing it because I always wanted to be a cheerleader. I always wanted to but I didn't get to because I was working.

~Christina Milian

My advice to someone to follow in my footsteps is to have patience. I've been doing this for twelve years.

~Christina Milian

Well, Tommy Lee Jones is a little bit more intimidating. He's definitely a cowboy. He's from Texas.

~Christina Milian

Because I get nervous all the time. It's weird but I think it's fun and it's refreshing. It's always good to be that way. That keeps me appreciative of everything.

~Christina Milian

I did a theatrical musical, Annie Warbucks, when I was 11. We did a tour and we stopped by Los Angeles.

~Christina Milian

Take everything to the next level and have fun doing it. No limits, no rules!

~Christina Milian

I want to be remembered as a happy, humble person, and as someone who motivated others to never give up.

~Christina Milian

I felt like a dork growing up.

~Christina Milian

I have to have a little bit of time to myself right before whatever it is that I have to do because most of the time I'm sitting in my head convincing myself to calm down, all right, show down.

~Christina Milian

But people who do not know me are surprised to see me as a real person I guess.

~Christina Milian

It wasn't until I was about 17 or 18 years old that I got into music

~Christina Milian

I would just love to do something where I'd have to train and work really hard and do one of those types of action movies, which a lot of women are doing now

~Christina Milian

I find I don't need to be polished. I feel that you have to keep it real, and that's the best way to go.

~Christina Milian

I guess NBC must have noticed that one of my main staples is social media. So, when they approached me for The Voice, I thought "Why not be the first one to do it?"

~Christina Milian

I've always been heavily engaged with my fans on the internet from day one. That connection's one of the reasons why I've been able to enjoy such longevity in my career.

~Christina Milian

I moved here to California when I was 13 to pursue my acting career

~Christina Milian

I am not greedy, so I would gladly give a song to someone else to sing if it makes more sense.

~Christina Milian

I enjoy my fun time and everything like that but I love what I do

~Christina Milian

You have to be a strong person to be in music, especially

~Christina Milian

Still, to this day I go back and listen to music that inspires me to write now

~Christina Milian

I am also a hard worker and people are sometimes surprised to see that as well.

~Christina Milian

The best business decision I've made was to become a songwriter. I can't say that I have a worst, because I don't have any regrets.

~Christina Milian

I'm an entertainer, period. But I'd probably have to say my passion is in singing. I'm willing to go broke singing.

~Christina Milian

My mom was a cheerleader and had me as a teenager. I remember her giving me some pom-poms and teaching me how to do some splits when I was 3 or 4.

~Christina Milian

The sun won't shine since you went away, seems like the rain's falling every day. There's just one heart, where there once was two; that's the way it's gotta be until I get over you.

~Christina Milian

Being in the music business is a totally different industry right there.

~Christina Milian
