*People, Thinking, Ideas, Community, War, Writing, Moving, Religious, Vision,
Book, Dream, Sacrifice, Beautiful, Principles, Fun, Southern, America, Creating,
Connections, California*

That to me was one of the most exciting, and weird puzzles of this book: how are the most religious people and the least religious people of their time all drawn to very similar visions of utopia?

~Christine Jennings

Atheist isn't really the right word because they tended to believe in some sort of Enlightenment, capital 'N' Nature kind of god. But these were people who in their times were criticized as infidels.

~Christine Jennings
