It's not fair to use movies that weren't creatively successful as a reason why something won't work.

~Christopher Meledandri

Everybody has a wicked side, whether they are six or sixty, and yet so often storytelling draws a sharp line between good and evil.

~Christopher Meledandri

The idea right now - and it may evolve - would be a live-action movie where some of his characters would be animated. To me, this movie is very much about the creative process.

~Christopher Meledandri

I think that every enduring story that has expressions over multiple periods, that role of being the keeper of the integrity of the vision is a very important role.
