I dropped out of college, started playing music. I was going to do what I was going to do and it is what it is.

~Chuck Mosley

I'm so scared of flying.

~Chuck Mosley

I still dream about my parents and have done every night for 10 years, and I wake up either crying or having to remember that they're gone.

~Chuck Mosley

I had a few friends who we hung out with and that was it. We'd ride together, get in fights, go dancing, just causing trouble basically.

~Chuck Mosley

I don't get DRUNK before I play but I might get drunk after.

~Chuck Mosley

I was a total punk. But I was still an outcast, even with the punks and stuff.

~Chuck Mosley

I'm not raging drunk when I play. I just like to relax. Sometimes I stop and I tell people "I'm sorry, I'm really nervous".

~Chuck Mosley

My mum always told me, 'Have something to fall back on' and I never really listened.

~Chuck Mosley

I'm older, so it gets harder.

~Chuck Mosley

I'm just working class. I can pay the bills most of the time, usually from

royalties.

~Chuck Mosley

I've always been freaked out in my mind performing.

~Chuck Mosley

There's nothing I'd really rather do, or can do, except cook.

~Chuck Mosley

I never stopped drinking, I just don't drink that much anymore. You know, sometimes on the weekends, it's not like a daily thing.

~Chuck Mosley

If I get invited somewhere I can never usually say no. And then I don't leave until I'm asked to.

~Chuck Mosley
