Pregnancy, Son, Website, Adoption, Kids, Mom, Sexy, Long, Careers, Want,
Wish*

My favorite meal is turkey and mashed potatoes. I love Thanksgiving, it's just my favorite. I can have Thanksgiving all year round.

~Cindy Margolis

Having inner beauty is something you develop on your own, and I like to think I have that.

~Cindy Margolis

You have to surround yourself with really good people and have a very thick skin.

~Cindy Margolis

A good photographer can make you look incredible, even when you're not feeling very sexy.

~Cindy Margolis

When you're modeling you're actually acting for the camera and the photographer. It's more fun, too because there are no lines to memorize.

~Cindy Margolis

The world of modelling can be hard; just as cruel as it is glamorous.

~Cindy Margolis

I really did put up all my wedding pictures on my website. And I swear to you, my wedding pictures got downloaded just as much as my bikini pictures.

~Cindy Margolis

There's always someone following your next step.

~Cindy Margolis

I gained 80 pounds for my pregnancy so this is like my coming out party.

~Cindy Margolis

Here in America we so are for family values, yet insurance companies do not cover all fertility procedures.

~Cindy Margolis

I married the man of my dreams in 1998.

~Cindy Margolis

I think that's the great thing, ya' know, that women can do anything that they want now.

~Cindy Margolis

I call my children "My Hundred Thousand Dollar Babies Before They Were Even Born"!

~Cindy Margolis

The more I learn and read about the 10th Muse i realize what a great fan base and cult following she has. I'm going to try to live up to the fantastic image of the 10th Muse!

~Cindy Margolis

Gotham Games called me, and I could not be more thrilled. I've been waiting to be in a video game forever, so when they called there was no hesitation.

~Cindy Margolis

I was really stuck in the whole Farah Fawcett hairdo long after it was past being in fashion.

~Cindy Margolis

My bed is actually two king beds put together.

~Cindy Margolis

There's no such thing as an overnight success. It took me a long to get there.

~Cindy Margolis

You check the pregnancy test every month, and when it comes up negative it can start to wear on you

~Cindy Margolis

I am spoiled, it's true. I don't even know how to use that thing in the kitchen with the burners.

~Cindy Margolis

I have my loyal cyber-buddies out there, and I really do answer my e-mail. I'm in my pajamas at 3 in the morning with my zit medicine on. I owe everything to them.

~Cindy Margolis

Being on the cover of a magazine with my son is the best thing ever. It took me 18 years to get my first cover, he gets one at 8 months.

~Cindy Margolis

I hope every woman out there who wants to be a mother and is suffering with infertility, will explore all the options and know that if you choose the science route, it is okay.

~Cindy Margolis

I made my career off posing in swimsuits and doing all the swimsuit issues and posters.

~Cindy Margolis

You have to believe in yourself, that you're gonna succeed.

~Cindy Margolis

You should see me without makeup.

~Cindy Margolis

Every couple years when Mr. [Hugh] Hefner would call, I would very graciously decline, because my mom would kill me, and I thought it was more mysterious keeping my clothes on.

~Cindy Margolis

To me, bigger is better.

~Cindy Margolis

My pictures are airbrushed.

~Cindy Margolis

Makeup artists are always giving me their stuff. My favorite thing is free stuff. I'll take anything.

~Cindy Margolis

I think in vitro is a miracle and it has given me my precious little baby boy.

~Cindy Margolis

When I'm asked what my girls will think when they grow up, I'll tell them that they have to keep their clothes on till they're 40. But when they're 40, they can make their own decisions.

~Cindy Margolis

I'm a Valley Girl. You can't get me out of the Valley, I'm still here.

~Cindy Margolis

Yeah, baby! I didn't get to keep the pink baby doll outfit, but I wish I did because people are always telling me I should wear it.

~Cindy Margolis

Nine million Americans a year, that we know of, struggle with infertility.

~Cindy Margolis

There's so many celebrities now on the Internet and I feel that I was such a pioneer. Now everybody, your dog can have a website.

~Cindy Margolis

I've lived my life in a way that I feel would be an example to young women and I've always given my best in everything I've tried.

~Cindy Margolis

Our point is that America is so family oriented.

~Cindy Margolis

I've done over 125 posters and I have worked with some of the best photographers in the world. They made me America's Number one Pin Up.

~Cindy Margolis

I have good feet but they always get cut off in photo shoots.

~Cindy Margolis

My mom would have killed me before, but I'm an adult woman now, and I'm ready to show the world that you can have it all at 40 - be fabulous, 40, and pose for Playboy.

~Cindy Margolis

So many celebrity websites you go to are so sterile that you know they just pay somebody to do it and there's not even an ounce of them in it.

~Cindy Margolis

It just kills me when these girls look at magazines and wish they could look like that. I try to tell them, 'Nobody looks like that. Everything's airbrushed.'

~Cindy Margolis
